

**REFLECTIONS ON
A NATIONAL EPIDEMIC**

VIOLENCE

*"Important and absorbing...a valuable book deserving
a widespread and thoughtful readership."*

—Norval Morris, Boston Globe

JAMES GILLIGAN, M.D.

Violence Reflections On A National Epidemic

David A. J. Richards

Violence Reflections On A National Epidemic:

Violence James Gilligan, 1997-04-29 Drawing on firsthand experience as a prison psychiatrist his own family history and literature Gilligan unveils the motives of men who commit horrifying crimes men who will not only kill others but destroy themselves rather than suffer a loss of self respect With devastating clarity Gilligan traces the role that shame plays in the etiology of murder and explains why our present penal system only exacerbates it Brilliantly argued harrowing in its portraits of the walking dead *Violence* should be read by anyone concerned with this national epidemic and its widespread consequences Extraordinary Gilligan s recommendations concerning what does work to prevent violence are extremely convincing A wise and careful enormously instructive book Owen Renik M D editor *Psychoanalytic Quarterly* *Violence* James Gilligan, 1997-04-29 In this groundbreaking book James Gilligan examines the epidemic foremost in the minds of most Americans violence As he tells the stories of the men he treated at a hospital for the criminally insane Dr Gilligan traces the devastating links between violence and shame He shows how that deadly emotion drives people to destroy others and even themselves rather than suffer a loss of self respect **Putting Peace Into Practice** Nancy Nyquist Potter, 2004 This book examines the role and limits of policies in shaping attitudes and actions toward war violence and peace Authors examine militaristic language and metaphor effects of media violence on children humanitarian intervention sanctions peacemaking sex offender treatment programs nationalism cosmopolitanism community and political forgiveness to identify problem policies and develop better ones **The International Library of Essays on Capital Punishment, Volume 2** Peter Hodgkinson, 2016-12-05 The essays selected for this volume develop conventional abolition discourse and explore the conceptual framework through which abolition is understood and posited Of particular interest is the attention given to an integral but often forgotten element of the abolition debate alternatives to capital punishment The volume also provides an account of strategies employed by the abolition community which challenges tired methodologies and offers a level of transparency previously unseen This collection tackles complex but fundamental components of the capital punishment debate using empirical data and expert observations and is essential reading for those wishing to comprehend the fundamental issues which underpin capital punishment discourse *Resisting Structural Evil* Cynthia D. Moe-Lobeda, 2013-02-22 Ecojustice social justice and the Christian conscience This is a grand prophetic book motivated by love and focused on justicesocial justice ecological justice and dignity for the least of these Don t miss it Cornel West Union Theological Seminary This book is a gift to all consumers looking for a way out of their addiction Those of us myself included who know our excessive consumption is causing ecological and economic disasters should read Professor Moe Lobedas new book It is the best one volume analysis of our moral dilemma I know of and even better it suggests principles and practices to help deal with it Sallie McFague Vancouver School of Theology Cynthia Moe Lobeda s *Resisting Structural Evil* Love as Ecological and Economic Transformation takes the form of a powerful contribution to Christian ethics but in fact it is also a

major contribution to anyone in any religious or spiritual tradition who seeks to maintain both a commitment to God and to global healing and transformation Easily accessible and charming in presentation deep in its ability to confront difficult issues squarely and in a nuanced way courageous in insisting that we see reality not only as it is but as it could be if we were willing to be unrealistic for a few moments manifesting daring of thought combined with a pervasive humility this is a true classic of spiritual progressive consciousness packed full of ideas that should be taught in every college and university and religious seminary every church synagogue mosque and ashram Rabbi Michael Lerner Editor Tikkun Magazine Chair The Network of Spiritual Progressives Cynthia Moe Lobeda's book is one of the strongest statements yet to be made on the intricate connections between ecology and justice The powerful stories and persuasive arguments lay the groundwork for the necessary transformations ahead It will be a catalyst for change Mary Evelyn Tucker Forum on Religion and Ecology Yale University Key Features Mapping the ethical terrain of an imperiled planet Convincingly showing how ecojustice relates to economic justice Rethinking Christian ethics in light of the ecological crisis The increasingly pressing situation of Planet Earth poses urgent ethical questions for Christians But as Cynthia Moe Lobeda argues the future of the earth is not simply a matter of protecting species and habitats but of rethinking the very meaning of Christian ethics The earth crisis cannot be understood apart from the larger human crisis economic equity social values and human purpose are bound up with the planet's survival In a sense she says the whole earth is a moral community Reorienting Christian ethics from its usual anthropocentrism to an ecocentrism entails a new framework that Moe Lobeda lays out in her first chapters culminating in a creative rethinking of how it is that we understand morally With this moral epistemology in place she unfolds her notion of moral vision and applies it to the present situation in a full fledged earth honoring justice seeking Christian ethical stance

Adulthood, Morality, and the Fully Human John J. Shea, 2018-05-07 In Adulthood Morality and the Fully Human John J Shea describes an adult moral and fully human self in terms of integrity and mutuality Those who are fully human are caring and just Violence is the absence of care and justice Peace the pinnacle of human development is their embodiment Integrity and mutuality together beget care and justice and care and justice together beget peace Shea shows the practical importance of the fully human self for education psychotherapy and spirituality This book is especially recommended for scholars and those in helping professions

Human Rights at Home United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Human Rights and the Law, 2011

The Routledge History of the Second World War Paul R. Bartrop, 2021-11-08 The Routledge History of the Second World War sums up the latest trends in the scholarship of that conflict covering a range of major themes and issues The book delivers a thematic analysis of the many ways in which study of the Second World War can take place considering international transnational and global approaches and serves as a major jumping off point for further research into the specific fields covered by each of the expert authors It demonstrates the global and total nature of the Second World War giving due coverage to the conflict in all major theatres and through the lens of the

key combatants and neutrals examines issues of race gender ideology and society during the war and functions as a textbook to educate students as to the trends that have taken place in how the conflict has been and can be interpreted in the modern world Divided into twelve parts that cover central themes of the conflict including theatres of war leadership societies occupation secrecy and legacies it enables those with no memory of war to approach it with a view to comprehending what it was all about and places the history of this conflict into a context that is international transnational and institutional This is a comprehensive and accessible reference volume for anyone interested in the most up to date scholarship on this major conflict Chapter 18 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com>

Voices from American Prisons Kaia Stern, 2014-06-20 *Voices From American Prisons* Faith Education and Healing is a comprehensive and unique contribution to understanding the dynamics and nature of penal confinement In this book author Kaia Stern describes the history of punishment and prison education in the United States and proposes that specific religious and racial ideologies notions of sin evil and otherness continue to shape our relationship to crime and punishment through contemporary penal policy Inspired by people who have lived worked and studied in U.S. prisons Stern invites us to rethink the current punishment crisis in the United States Based on in depth interviews with people who were incarcerated as well as extensive conversations with students teachers corrections staff and prison administrators the book introduces the voices of those who have participated in the few remaining post secondary education programs that exist behind bars Drawing on individual narrative and various modern day case examples Stern focuses on dehumanization resistance and community transformation She demonstrates how prison education is essential can provide healing and yet is still not enough to interrupt mass incarceration In short this book explores the possibility of transformation from a retributive punishment system to a system of justice The book's engaging human accounts and multidisciplinary perspective will appeal to criminologists sociologists historians theologians and scholars of education alike *Voices from American Prisons* will also capture general readers who are interested in learning about a timely and often silenced reality of contemporary modern society

Trauma-Informed Spiritual Care Danielle Tumminio Hansen, 2024-08-20 Trauma pervades every part of human existence From birth to death there is no moment in which a human being is completely immune with experts estimating that a majority of people will experience at least one traumatic event in their lifetime Danielle Tumminio Hansen offers a dynamic exploration of how trauma affects not just the physical and psychological lives of sufferers but also their spiritual well being Taking a feminist and intersectional approach she considers how trauma challenges people both individually and collectively while looking at tools spiritual caregivers can use to respond to it Integrating theological wisdom with cutting edge psychology she offers targeted interventions to help trauma survivors restore their sense of safety construct meaning and reconnect with their communities She also considers how restorative justice can be a tool to help trauma survivors voice their experiences and

receive accountability in community Tummino Hansen constructs a crucial resource at once searingly honest and hopeful that belongs on the bookshelf of every pastor chaplain and faith leader **Bullies, Revised** Jane Middleton-Moz, Mary Lee Zawadski, 2014-09-16 Emotionally disturbing yet cathartic this groundbreaking book by two leading experts in the field of community intervention anger and addiction provides a compelling expose on all aspects of bullying Using in depth case studies of bullies and those they bullied Middleton Moz and Zawadski provide a true look at the problem and what can be done to stop it Focusing on environments where bullying occurs most frequently in schools homes relationships workplaces and cyberspace the authors identify six bullying strategies that encourage bullying behavior and provide concrete ways to defuse tense or potentially hazardous situations Equally important Middleton Moz and Zawadski explain how to reach out to bullies with the appropriate guidance and support without which bullies will only continue to create fear and anxiety in others No matter how hard they try it is virtually impossible for parents to keep up with all the apps and technological changes that enable bullying to remain anonymous To help them the authors have included a chapter just for parents on how to monitor their children s behavior and online interactions to keep them grounded For both parents and educators Middleton Moz and Zawadski also explore innovative anti bullying programs and offer advice about which ones are really working **Disarming Manhood** David A. J. Richards, 2005 Masculine codes of honor and dominance often are expressed in acts of violence including war and terrorism In *Disarming Manhood* Roots of Ethical Resistance David A J Richards examines the lives of five famous men great leaders and crusaders who actively resisted violence and presented more humane alternatives to further their causes Richards argues that William Lloyd Garrison Leo Tolstoy Mohandas Gandhi Winston Churchill and Martin Luther King Jr shared a psychology whose nonviolent roots were deeply influenced by a loving maternalistic ethos Drawing upon psychology history political theory and literature Richards traces a connection between these leaders and the maternal figures who profoundly shaped their responses to conflict often on the basis of an original interpretation of the teachings of Jesus of Nazareth The voice of nonviolent masculinity has empowered ethical transformations including civil disobedience in South Africa India and the United States *Disarming Manhood* demonstrates that as Garrison Tolstoy Gandhi Churchill and King carried out their various missions they were galvanized by teachings whose ethical foundations rejected unjust violence Accessibly written and free of jargon *Disarming Manhood* will interest a wide audience as it furthers the understanding of human nature itself and contributes to the fields of developmental psychology and feminist scholarship **Catholic Social Learning, Expanded Edition** Roger Bergman, 2023-12-20 The award winning and widely read first edition of *Catholic Social Learning Educating the Faith That Does Justice* published in 2011 described the critical edge of the tradition of justice pedagogy in Catholic higher education at the end of the first decade of the twenty first century But living traditions change in response to new challenges and develop their own resources more fully The most obvious and compelling development in recent years has been the publication in 2015 of Pope

Francis landmark encyclical *Laudato Si On Care for Our Common Home* the occasion for the new chapter length afterword to this expanded edition of *Catholic Social Learning* The urgent imperative to defend creation is a major but not the only reason for a new edition Two new chapters on the many forms of shame as a pedagogical issue and on the Book of Job and belief in a just world add spiritual and theological depth to the original assessment of more than a decade ago Those three additions comprise the totally new Part IV *The Critical Edge of the Tradition* A new preface sets the argument in the context of current controversies over the place of painful emotions in educational settings

The Rise of Gay Rights and the Fall of the British Empire David A. J. Richards, 2013-04-22 This book argues that there is an important connection between ethical resistance to British imperialism and the ethical discovery of gay rights By closely examining the roots of liberal resistance in Britain and resistance to patriarchy in the United States this book shows that fighting the demands of patriarchal manhood and womanhood plays an important role in countering imperialism Advocates of feminism and gay rights in particular the Bloomsbury Group in Britain play an important public function in the criticism of imperialism because they resist the gender binary's role in rationalizing sexism and homophobia in both public and private life The connection between the rise of gay rights and the fall of empire illuminates larger questions of the meaning of democracy and of universal human rights as shared human values that have appeared since World War II The book also casts doubt on the thesis that arguments for gay rights must be extrinsic to democracy and that they must reflect Western as opposed to African or Asian values To the contrary gay rights arise from within liberal democracy and its critics polemically use such opposition to cover and rationalize their own failures of democracy

Extreme Killing James Alan Fox, Jack Levin, 2011-03-14 This comprehensive overview of serial and multiple murders looks at the theories for the criminal behavior and applies them to a multitude of well known and little known cases worldwide examining similarities and differences Jamie Fox and Jack Levin are renowned experts and authors in the field and they bring their years of research to bear in this fascinating analysis of serial multiple and mass murder The second edition is updated with more recent theory and cases Features of the 2nd edition 1 Updated throughout with new cases like the BTK Killer Virginia Tech shootings Ft Hood mass murder 2 Expanded coverage of theory 3 Stronger research focus 4 Expanded illustration program with better use of photos charts and graphs

Perpetrators of Mass Atrocities Alette Smeulders, 2023-12-22 The 9 11 attacks as well as the ones in Madrid London Paris and Brussels the genocides in Nazi Germany Rwanda and Cambodia the torture in dictatorial regimes the wars in former Yugoslavia Syria and Iraq and currently in Ukraine the sexual violence during periods of conflict all make us wonder why would anyone do something like that Who are these people Drawing on 30 years of research in this book Alette Smeulders explores the perpetrators of mass atrocities such as war crimes crimes against humanity genocide and terrorism Examining questions of why people kill and torture and how mass atrocities can be explained Smeulders presents a typology of perpetrators with different ranks roles and motives Devoting one chapter to each type of perpetrator the book combines insights from

academic research with illustrative case studies of well known perpetrators from dictators to middlemen to lower ranking officials and terrorists Their stories are explored in depth as the book examines their behaviour and motivation Perpetrators of Mass Atrocities thus provides a comprehensive understanding of the causes of extreme mass violence Such knowledge not only can help the international criminal justice system to be able to attribute blame in a fairer way but can also assist in preventing such atrocities being committed on the current scale Perpetrators of Mass Atrocities is essential reading for all those interested in war crimes genocide terrorism and mass violence

Why Some Politicians Are More Dangerous Than Others James Gilligan, 2013-05-20 Politicians and the political process even in ostensibly democratic countries can be deadly James Gilligan has discovered a devastating truth that has been hiding in plain sight for the past century namely that when America s conservative party the Republicans have gained the presidency the country has repeatedly suffered from epidemics of violent death Rates of both suicide and homicide have sky rocketed The reasons are all too obvious rates of every form of social and economic distress inequality and loss unemployment recessions poverty bankruptcy homelessness also ballooned to epidemic proportions When that has happened those in the population who were most vulnerable have snapped with tragic consequences for everyone These epidemics of lethal violence have then remained at epidemic levels until the more liberal party the Democrats regained the White House and dramatically reduced the amount of deadly violence by diminishing the magnitude of the economic distress that had been causing it This pattern has been documented since 1900 when the US government first began compiling vital statistics on a yearly basis and yet it has not been noticed by anyone until now except with regard to suicide in the UK and Australia where a similar pattern has been described This book is a path breaking account of a phenomenon that has implications for every country that presumes to call itself democratic civilized and humane and for all those citizens voters and political thinkers who would like to help their country move in that direction

MS-13 Steven Dudley, 2020-09-08 One of the year s most important books a gripping meticulously reported account of the rise of one of the world s most notorious street gangs Mitch Weiss Pulitzer Prize winner Winner of the Lukas Prize An NPR Best Book of the Year The MS 13 was born from war In the 1980s Alex and his brother fled El Salvador for the US and formed the Mara Salvatrucha Stoners Initially bound by a love of heavy metal music the group soon took on a harder edge selling drugs stealing cars and killing rivals Gang members like Alex were incarcerated and deported But in the prison system the group only grew stronger Today MS 13 is one of the most infamous street gangs on earth and also largely misunderstood Longtime organized crime investigator Steven Dudley brings readers inside the nefarious group to tell a broader story of flawed US and Central American policies and the exploitative unequal systems that shape them A remarkable feat of reporting the ways in which the United States is complicit in the creation and preservation of MS 13 might well keep you awake deep into the night as it did me Rachel Louise Snyder author of No Visible Bruises By detailing the experiences of gang members and victims alike he anatomizes the complex fluid dynamics of this elusive transnational

network A startling book Patrick Radden Keefe New York Times bestselling author of Rogues True Stories of Grifters Killers Rebels and Crooks The definitive account of MS 13 An outstanding book for true crime readers Library Journal starred review

Violent States and Creative States (2 Volume Set) John Adlam, Tilman Kluttig, Bandy Lee, 2018-05-03 This is a provocative collection exploring the different types of violence and how they relate to one another examined through the integration of several disciplines including forensic psychotherapy psychiatry sociology psychosocial studies and political science By examining the violent states of mind behind specific forms of violence and the social and societal contexts in which an individual act of human violence takes place the contributors reveal the dynamic forces and reasoning behind specific forms of violence including structural violence and conceptualise the societal structures themselves as violent states Other research often stops short at examining the causes and risk factors for violence without considering the opposite states that may not only mitigate but allow for a different unfolding of individual and societal evolution As a potential antidote to violence the authors prescribe an understanding of these creative states with their psychological origins and their importance in human behaviour and meaning seeking Making a call to move beyond merely mitigating violence to the opposite direction of fostering creative potential this book is foundational in its capacity to cultivate social consciousness and effect positive change in areas of governance policy making and collective responsibility This two volume set includes Volume 1 Structural Violence and Creative Structures ISBN 9781785925641 Volume 2 Human Violence and Creative Humanity ISBN 9781785925658

Clinard and Quinney's Criminal Behavior Systems A. Javier Treviño, 2019-06-11 An important classic familiar to virtually all criminologists Clinard and Quinney's *Criminal Behavior Systems* A Revised Edition begins with a discussion of the construction of types of crime and then formulates and utilizes a useful typology of criminal behavior systems It classifies crime into seven categories among them violent personal crime occasional property crime public order crime occupational crime corporate crime organized crime and political crime They examine the criminal career of the offender in each category public and legal attitudes toward these individuals support systems they may have attitudes of the offenders and other features The discussion of each category of crime is thorough and enlightening and takes the reader far in understanding the huge problem of crime and establishing intelligent definitions to study it The new edition looks at the criminal landscape of the twenty first century capturing both the numerous advancements in theory and research in the field of criminology as well as many societal changes that have taken place in law mass media the economy culture and the political system that directly affect the book's coverage of various types of crimes A global perspective broadens the book's relevance to include a variety of different societies Crimes newly examined in this edition include identity theft domestic violence arson hate crimes cybercrime campus sexual assault police brutality Ponzi schemes human trafficking and terrorism Finally alternatives to conventional criminal justice are considered including such approaches as peacemaking restorative justice private justice problem solving harm reduction naming and shaming and internal and external controls Like its

predecessors Clinard and Quinney's *Criminal Behavior Systems: A Revised Edition* will be essential to criminologists formulating their own theories and research on criminal behavior as well as to students in criminology and sociology courses on how to view and study crime.

Whispering the Secrets of Language: An Emotional Quest through **Violence Reflections On A National Epidemic**

In a digitally-driven world wherever displays reign supreme and immediate connection drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within words usually go unheard. Yet, located within the pages of **Violence Reflections On A National Epidemic** a interesting literary prize pulsating with raw emotions, lies a fantastic quest waiting to be undertaken. Published by a talented wordsmith, that marvelous opus attracts viewers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within ab muscles material of each word. Within the emotional depths with this poignant review, we will embark upon a sincere exploration of the book is primary themes, dissect their charming publishing type, and fail to the powerful resonance it evokes strong within the recesses of readers hearts.
