Visions Of Empire In The Nazi Occupied Netherlands:

Visions of Empire in the Nazi-occupied Netherlands Jennifer L. Foray, 2011 Visions of Empire in the Nazi Occupied Netherlands is both a political history of the Nazi occupied Netherlands and a study of empire occupation and decolonization

Visions of Empire in the Nazi-Occupied Netherlands Jennifer L. Foray, 2012 Visions of Empire in the Nazi Occupied Netherlands is a study of empire occupation and decolonization and uncovers Nazi occupied Netherlands **Cultural Diplomacy and the Heritage of Empire** Cynthia Scott, 2019-11-12 Cultural Diplomacy and the Heritage of Empire analyzes the history of the negotiations that led to the atypical return of colonial era cultural property from the Netherlands to Indonesia in the 1970s By doing so the book shows that competing visions of post colonial redress were contested throughout the era of post World War II decolonization Considering the danger this precedent posed to other countries the book looks beyond the Dutch Indonesian case to the Elgin Parthenon Marbles and Benin Bronzes controversies as well as recent developments relating to returns in France and the Netherlands Setting aside the universalism versus nationalism debate Scott asserts that the deeper meaning of post colonial cultural property disputes in European history has more to do with how officials of former colonial powers negotiated decolonization while also creating contemporary understandings of their nations pasts As a whole the book expands the field of cultural restitution studies and offers a more nuanced understanding of the connections drawn between postcolonial national identity making and the extension of cultural diplomacy Cultural Diplomacy and the Heritage of Empire offers a new perspective on the international influence of the UNGA and UNESCO on the return debate As such the book will be of interest to scholars students and practitioners engaged in the study of cultural property diplomacy and law museum and heritage studies modern European history post colonial studies and historical anthropology [The Cambridge History of Nationhood and Nationalism: Volume 2, Nationalism's Fields of Interaction](#)

Cathie Carmichael, Matthew D'Auria, Aviel Roshwald, 2023-11-09 This major new reference work with contributions from an international team of scholars provides a comprehensive account of ideas and practices of nationhood and nationalism from antiquity to the present It considers both continuities and discontinuities engaging critically and analytically with the scholarly literature in the field In volume II leading scholars in their fields explore the dynamics of nationhood and nationalism s interactions with a wide variety of cultural practices and social institutions in addition to the phenomenon s crucial political dimensions The relationships between imperialism and nationhood nationalism and between major world religions and ethno national identities are among the key themes explained and explored The wide range of case studies from around the world brings a truly global comparative perspective to a field whose study was long constrained by Eurocentric assumptions **Subversive Seas** Kris Alexanderson, 2019-04-25 This revealing portrait of the oceanic Dutch Empire exposes the maritime world as a catalyst for the downfall of European imperialism

Europe on Trial Istvan Deak, 2018-04-27 Europe on Trial explores the history of collaboration retribution and resistance during World War II These

three themes are examined through the experiences of people and countries under German occupation as well as Soviet Italian and other military rule Those under foreign rule faced innumerable moral and ethical dilemmas including the question of whether to cooperate with their occupiers try to survive the war without any political involvement or risk their lives by becoming resisters Many chose all three depending on wartime conditions Following the brutal war the author discusses the purges of real or alleged war criminals and collaborators through various acts of violence deportations and judicial proceedings at the Nuremberg International Military Tribunal as well as in thousands of local courts Europe on Trial helps us to understand the many moral consequences both during and immediately following World War II

Europe after Empire Elizabeth Buettner, 2016-03-24 *Europe after Empire* is a pioneering comparative history of European decolonization from the formal ending of empires to the postcolonial European present Elizabeth Buettner charts the long term development of post war decolonization processes as well as the histories of inward and return migration from former empires which followed She shows that not only were former colonies remade as a result of the path to decolonization so too was Western Europe with imperial traces scattered throughout popular and elite cultures consumer goods religious life political formations and ideological terrains People were also inwardly mobile including not simply Europeans returning home but Asians Africans West Indians and others who made their way to Europe to forge new lives The result is a Europe fundamentally transformed by multicultural diversity and cultural hybridity and by the destabilization of assumptions about race culture and the meanings of place and where imperial legacies and memories live on

The Dutch Empire between Ideas and Practice, 1600-2000 René Koekoek, Anne-Isabelle Richard, Arthur Weststeijn, 2019-11-18 This volume explores the intellectual history of the Dutch Empire from a long term and global perspective analysing how ideas and visions of empire took shape in imperial practice from the seventeenth century to the present day Through a series of case studies the volume critically unearths deep rooted conceptions of Dutch imperial exceptionalism and shows how visions of imperial rule were developed in metropolitan and colonial contexts and practices Topics include the founding of the Dutch chartered companies for colonial trade the development of commercial and global visions of empire in Europe and Asia the continuities and ruptures in imperial ideas and practices around 1800 and the practical making of empire in colonial court rooms and radio broadcasting Demonstrating the relevance of a long term approach to the Dutch Empire the volume showcases how the intellectual history of empire can provide fresh light on postcolonial repercussions of empire and imperial rule Chapter 1 Chapter 3 Chapter 7 and Chapter 8 of this book are available open access under a CC BY 4.0 license at link.springer.com

Blood and Ruins Richard Overy, 2023-04-04 Monumental A vast and detailed study that is surely the finest single volume history of World War II Richard Overy has given us a powerful reminder of the horror of war and the threat posed by dictators with dreams of empire The Wall Street Journal A thought provoking and original reassessment of World War II from Britain's leading military historian A New York Times bestseller Richard Overy sets out in *Blood and Ruins* to recast the way in which we view the

Second World War and its origins and aftermath As one of Britain's most decorated and respected World War II historians he argues that this was the last imperial war with almost a century long lead up of global imperial expansion which reached its peak in the territorial ambitions of Italy Germany and Japan in the 1930s and early 1940s before descending into the largest and costliest war in human history and the end after 1945 of all territorial empires Overy also argues for a more global perspective on the war one that looks broader than the typical focus on military conflict between the Allied and Axis states Above all Overy explains the bitter cost for those involved in fighting and the exceptional level of crime and atrocity that marked the war and its protracted aftermath which extended far beyond 1945 Blood and Ruins is a masterpiece a new and definitive look at the ultimate struggle over the future of the global order which will compel us to view the war in novel and unfamiliar ways Thought provoking original and challenging Blood and Ruins sets out to understand the war anew

Complicated Complicity Martina Bitunjac, Julius H. Schoeps, 2021-06-21 Complicated Complicity is about the forms taken motives and spectrum of actions of European collaboration with the Nazis State authorities local military organizations and individual players in different countries and areas including France Scandinavia Lithuania Poland Ukraine Romania Hungary Slovakia Greece Italy Portugal and the countries of the former Yugoslavia are discussed in the context of the history of World War II the history of occupation and everyday life and as an essential influencing factor in the Holocaust New forms of right wing populism nationalism and growing intolerance of Jewish fellow citizens and minorities have made such historically sensitive studies considerably more difficult in many countries today In this time of increasing historical revisionism in Europe such elucidating discourse is particularly relevant *Citizenship between Empire and Nation* Frederick Cooper, 2016-05-31 A groundbreaking history of the last days of the French empire in Africa As the French public debates its present diversity and its colonial past few remember that between 1946 and 1960 the inhabitants of French colonies possessed the rights of French citizens Moreover they did not have to conform to the French civil code that regulated marriage and inheritance One could in principle be a citizen and different too *Citizenship between Empire and Nation* examines momentous changes in notions of citizenship sovereignty nation state and empire in a time of acute uncertainty about the future of a world that had earlier been divided into colonial empires Frederick Cooper explains how African political leaders at the end of World War II strove to abolish the entrenched distinction between colonial subject and citizen They then used their new status to claim social economic and political equality with other French citizens in the face of resistance from defenders of a colonial order Africans balanced their quest for equality with a desire to express an African political personality They hoped to combine a degree of autonomy with participation in a larger Franco African ensemble French leaders trying to hold on to a large French polity debated how much autonomy and how much equality they could concede Both sides looked to versions of federalism as alternatives to empire and the nation state The French government had to confront the high costs of an empire of citizens while Africans could not agree with French leaders or among

themselves on how to balance their contradictory imperatives Cooper shows how both France and its former colonies backed into more national conceptions of the state than either had sought **Exceptionalism** Lars Jensen, Kristín Loftsdóttir, 2021-09-27 This volume crucially provides an analytical and comparative approach investigating the meaning and uses of the concept of exceptionalism while demonstrating the ways in which it manifests itself in different historical and geographical settings Exceptionalism offers comparative case studies from different parts of the world showcasing the way in which exceptionalism has come to occupy an important narrative position in relation to different nation states including the United States the United Kingdom the Nordic countries various European nations and countries in Latin America Africa and Asia An introduction to and overview of a term that has come to define the past and present identity of many nations this book will appeal to scholars of sociology anthropology geography cultural studies and politics **Beyond Borders** Heather Goodall, 2025-10-01 Beyond Borders Indians Australians and the Indonesian Revolution 1939 to 1950 rediscovers an intense internationalism and charts its loss in the Indonesian Revolution Momentous far beyond Indonesia itself and not just for elites generals or diplomats the Indonesian anti colonial struggle from 1945 to 1949 also became a powerful symbol of hope at the most grassroots levels in India and Australia As the news flashed across crumbling colonial borders by cable radio and photograph ordinary men and women became caught up in the struggle Whether seamen soldiers journalists activists and merchants Indonesian independence inspired all of them to challenge colonialism and racism And the outcomes were made into myths in each country through films memoirs and civic commemorations But as heroes were remembered or invented this 1940s internationalism was buried behind the hardening borders of new nations and hostile Cold War blocs only to reemerge as the basis for the globalisation of later years *Dutch Neorealism, Cinema, and the Politics of Painting, 1927-1945* Stephanie Lebas Huber, 2024-08-12 This study offers a radically new perspective on Dutch Neorealism one that emphasizes the role of film as an apparatus the effects of which when emulated in painting can reproduce the affective experience of film watching More of a tendency than a tightly defined style or ism Neorealism is the Dutch variant of Magic Realism an uncanny mode of figurative painting identified with Neue Sachlichkeit in Germany and Novecento in Italy Best represented by the Dutch artists Pyke Koch Carel Willink Charley Toorop Raoul Hynckes Dick Ket and Wim Schuhmacher Neorealism as demonstrated in this book depicted societal disintegration and allegories of looming disaster in reaction to the rise of totalitarian regimes and eventually the Nazi Occupation of The Netherlands The degree to which these artists exhibited either revolutionary or reactionary sentiments usually corresponding with their political affiliation is one of the central problematics explored in this text The book will be of interest to scholars working in art history World War II history and film studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Western and Northern Europe June 1942-1945** Katja Happe, Barbara Lambauer, Clemens Maier-Wolthausen, 2022-08-01 Executive editors Katja

Happe Barbara Lambauer and Clemens Maier Wolthausen with Maja Peers English language edition prepared by Elizabeth Harvey Johannes Gamm Georg Felix Harsch Dorothy Mas and Caroline Pearce In summer 1942 the Germans escalated the systematic deportations of Jews from Western and Northern Europe to the extermination camps In most of the countries under German control the occupying forces initially focused on arresting foreign and stateless Jews thereby securing the cooperation of local authorities However before long the entire Jewish population was targeted for deportation This volume documents the parallels and differences in the persecution of Jews in occupied Norway Denmark the Netherlands Belgium Luxembourg and France in the period from summer 1942 to liberation it records the implementation of the systematic deportation and murder of Jews from Western and Northern Europe and it also records the rescue of more than 5 000 Danish Jews In letters and diary entries the persecuted Jews describe their attempts to flee life in hiding the transit camps and deportation transports that often took several days In Westerbork camp in the occupied Netherlands Bob Cahen himself an inmate recorded in his diary the arrival in the camp of 17 000 Jews from across the Netherlands in October 1942 People arrived here herded like livestock Some were buried beneath their luggage others without any possessions at all not even properly dressed Women in poor health who had been hauled out of bed in thin nightgowns children in undergarments and barefoot the elderly the ill the infirm more and more new people came to the camp The sources in the volume show how the perpetrators attempted to dupe their victims regarding the destination of the transports and how Jewish organizations attempted to alleviate the suffering of the deportees The documents additionally illustrate how the resistance movement gained momentum during this period Learn more about the PMJ on <https://pmjdocuments.org> *Europeanisation as violence* Kolar Aparna, Daria Krivonos, Elisa Pascucci, 2025-01-21 The book offers a novel lens to situate Europeanisation as violence through institutions and technologies of development cultural heritage and borders among others by bringing South and East within a relational frame Through four inter related sections it foregrounds Europeanisation as infrastructural violence and colonial asymmetries slow violence and the construction of stratified subalternities epistemic dispossession and border epistemologies **Western and Northern Europe 1940-June 1942** Katja Happe, Michael Mayer, Maja Peers, 2021-12-31 Executive editors Katja Happe Michael Mayer and Maja Peers with Jean Marc Dreyfus English language edition prepared by Caroline Pearce Johannes Gamm Georg Felix Harsch and Dorothy Mas In April May 1940 the German Wehrmacht invaded Northern and Western Europe The subsequent occupation of Norway Denmark the Netherlands Belgium Luxembourg and France brought the Jewish population of these countries both established residents and refugees under German control From autumn 1941 in Luxembourg and from spring summer 1942 in Belgium the Netherlands and occupied France Jews were required to wear the Jewish star and many were subjected to forced labour By mid 1942 deportations from Luxembourg and France to the ghettos and extermination camps in occupied Eastern Europe had already begun while in the other occupied countries they were imminent In April 1942 Alfred Oppenheimer the Jewish elder in Luxembourg wrote A dreadful fate hangs

over our community again The worst that can happen has now happened and the Poland transport is a certainty This volume covers Norway and Western Europe during the period from the German invasion to mid 1942 developments in Denmark for this period are documented in vol 12 and records how Jews in these parts of Europe were excluded from society and stripped of their rights livelihoods and property Letters and diary entries by the persecuted Jews detail life under German occupation and the attempts by many Jews to emigrate The sources show how Jewish organizations sought to alleviate the impact of persecution and how the German occupiers and local collaborators targeted Jews with increasingly stringent measures and clamped down on any form of resistance Learn more about the PMJ on <https://pmjdocuments.org> **A New Nationalist**

Europe Under Hitler Johannes Dafinger, Dieter Pohl, 2018-08-06 Nazis fascists and v lisch conservatives in different European countries not only cooperated internationally in the fields of culture science economy and persecution of Jews but also developed ideas for a racist and ethno nationalist Europe under Hitler The present volume attempts to combine an analysis of Nazi Germany s transnational relations with an evaluation of the discourse that accompanied these relations

Transnational Memory Chiara De Cesari, Ann Rigney, 2014-10-29 How do memories circulate transnationally and to what effect How to understand the enduring role of national memories and their simultaneous reconfiguration under globalization Challenging the methodological nationalism that has until recently dominated the study of memory and heritage this book charts the rich production of memory across and beyond national borders Arguing for the fruitfulness of a transnational as distinct from a global approach it places the issues of circulation articulation and the scales of remembrance at the centre of its inquiry In the process it sheds new light on the ways in which mediation post coloniality migration and regional integration affect both the way we remember and the role of memory in contemporary societies In this interdisciplinary collection humanities and social science scholars examine a rich sample of cases from the nineteenth century on stretching across the globe from Vietnam to Europe and the Middle East to the USA and the Pacific and involving a wide range of cultural practices from quilting to films from photography to heritage sites and monuments In the process the volume develops a new theoretical framework while proposing new methodological tools and resources for studying collective remembrance beyond the nation state **The Cultural Legacy of German Colonial Rule** Klaus Mühlhahn, 2017-06-12

This edited volume explores social economic political and cultural practices generated by African Asian and Oceanic individuals and groups within the context and aftermath of German colonialism The volume contributes to current debates on transnational and intercultural processes while highlighting the ways in which the colonial period is embedded in larger processes of globalization
