Untamed Anna Cowan:

Untamed Anna Cowan, 2013-05-10 Outspoken and opinionated Katherine Sutherland is ill at ease amongst the fine ladies of Regency London. She is more familiar with farmers and her blunt opinions and rough manners offend polite society. Yet when she hears the scandalous rumours involving her sister and the seductive Duke of Darlington, the fiercely loyal Katherine vows to save her sister's marriage whatever the cost. Intrigued by Katherine's interference in his affairs, the manipulative Duke is soon fascinated. He engages in a daring deception and follows her back to her country home. Here their intense connection shocks them both. But the Duke's games have dangerous consequences and the potential to throw both their lives into chaos. Wildly romantic, *Untamed* is a passionate and beautifully written debut novel. This decadent historical romance defies convention and will shock and delight in equal measure. *Simply Synopsis* Michelle Somers, 2017-12-06

A step by step guide for crafting a standout synopsis. With special focus on romance, learn how to construct an engaging and fresh synopsis that contains all vital information while hooking the reader, maintaining tension and emotion. The *Simply Synopsis* strategy will help analyze your story, allowing you to extract the key elements to include whilst guiding you on how to determine what plot points and events to leave out. It helps formulate the building blocks of the synopsis: the orientation, the major turning points, the resolution, and the conclusion, and then demonstrates how to structure these paragraphs before piecing them together in a way that is engaging and exciting for the reader. It covers tone, vocabulary, point of view, and pacing. It looks at backstory: how and where does this fit into a synopsis? Secondary characters and secondary plots: yes or no? World building: how much is enough? The *Simply Synopsis* strategy is simple and straightforward: a step by step process that makes the daunting task of synopsis creation much less daunting. **The Routledge Companion to Romantic Love** Ann Brooks, 2021-11-29 The *Routledge Companion to Romantic Love* is a multidisciplinary and interdisciplinary reference work essential for students and researchers interested in the field of love, romance, and popular romance fiction. Comprising over 30 chapters by a team of international contributors, the *Companion* is divided into 12 parts: Love, romance, and historical and social change; Love and feminist discourses; Love and popular romance fiction; Love, gender, and sexuality; Romancing Australia; South and Southeast Asian romance communities; Nation, place, and identity in US popular romance novels; Romantic love and national identity in Chinese and Taiwanese discourses of love; Muslim and Middle Eastern romances; Discourses of romance fiction and technologies of power; Writing love and romance; Legal and theological fiction and sexual politics. This is an important and unique collection aimed at researchers and students across cultural studies, women and gender studies, literature studies, and sociology. *The Routledge Companion to Australian Literature* Jessica Gildersleeve, 2020-12-22 In recent years, Australian literature has experienced a revival of interest both

domestically and internationally The increasing prominence of work by writers like Christos Tsiolkas heightened through television and film adaptation as well as the award of major international prizes to writers like Richard Flanagan and the development of new high profile prizes like the Stella Prize have all reinvigorated interest in Australian literature both at home and abroad This Companion emerges as a part of that reinvigoration considering anew the history and development of Australian literature and its key themes as well as tracing the transition of the field through those critical debates It considers works of Australian literature on their own terms as well as positioning them in their critical and historical context and their ethical and interactive position in the public and private spheres With an emphasis on literature's responsibilities this book claims Australian literary studies as a field uniquely positioned to expose the ways in which literature engages with produces and is produced by its context provoking a critical re evaluation of the concept of the relationship between national literatures cultures and histories and the social function of literary texts The Routledge Research Companion to Popular Romance Fiction Jayashree Kamblé, Eric Murphy Selinger, Hsu-Ming Teo, 2020-08-11

Popular romance fiction constitutes the largest segment of the global book market Bringing together an international group of scholars The Routledge Research Companion to Popular Romance Fiction offers a ground breaking exploration of this global genre and its remarkable readership In recognition of the diversity of the form the Companion provides a history of the genre an overview of disciplinary approaches to studying romance fiction and critical analyses of important subgenres themes and topics It also highlights new and understudied avenues of inquiry for future research in this vibrant and still emerging field The first systematic comprehensive resource on romance fiction this Companion will be invaluable to students and scholars and accessible to romance readers **The Duke** Anna Cowan, 2026-04-28
