 increasingly important role in settling disputes Progress in conflict management shows that more disputes than ever are
 being settled by negotiation and not on the battlefield Therefore there needs to be an increased focus on the tool boxes of
 international organisations in the peace and security realm However at the same time the complexity of contemporary
 conflicts and conflict management is posing great challenges for the structures resources and roles of most international
 organisations This books deals with seven of these international organisations the United Nations UN the European Union
 EU the North Atlantic Treaty Organisation NATO the African Union AU the Organisation for Security and Co operation in
 Europe OSCE the Shanghai Cooperation Organisation SCO and the Collective Security Treaty Organisation CSTO This wide
 range of international organisations operate in different regions of the world and have different histories legal foundations
