Unrelenting Tide Children Of The Elements Volume 4:

Am Volume 4 Simon Plant, 2014-04-03 This is Am Volume 4 It hardly mentions Am but he haunts the tale This is a horror story Am is an alter ego of mine And this volume is still about him although in this volume it is in the form of a story about an imaginary wife of mine Sarah and her dysfunctional family with husband John and children Mary and Paul The book talks a lot about religion AM speaks He is as described in other volumes through the monsters Jale Beester and Crowndser a complete selfish monster This is a book that lives a nightmare and exudes false religion Maybe it is supernatural horror St Paul s letter to the Romans Ch 4 v 18 25 Maybe this monster story will fulfill a dream I had many years ago of becoming a recognised artist Abraham only believed and despite the apparent impossibility of the prophesy his faith was considered as justifying him Amen
