Up Against The Night:

Up Against the Night Justin Cartwright, 2015-11-17 Frank McAllister has long since dropped Retief as his middle name but the legacy of his family's history proves harder to shake His ancestor Piet Retief leader of the South African Great Trek was killed by Zulu king Dingane in the 1838 massacre along with a hundred men women and children Afrikaner legend paints Retief as a homegrown Moses bringing his people to the Promised Land But Frank believes something rotten lies at the core of this family myth Frank spends his days in his London home with his new partner and her son and the products of his wealth But the return of his daughter Lucinda from rehab in California brings him intense guilt having sided with her during his divorce from her mother she crumbled under the weight of the bitter separation Lucinda has brought home with her a mysterious boy and they will join the family trip to Frank's beach house in South Africa not far from the site of the 1838 massacre In the lulls of their idyllic days Frank unravels what really happened on that fateful day and how it may connect to the violence of the apartheid years and the violence encroaching on them even now *Up Against the Night* is an enthralling tale of personal conflict and intrigue set against the backdrop of South Africa's tangled past and troubled present and told with tremendous color and insight Absolutely original and gripping it is destined to be as influential as JM Coetzee's *Disgrace*

Up Against the Night Justin Cartwright, 2015 History is seldom able to convey the essence of being human Frank McAllister has become wealthy in England where he has lived for thirty years He has a house in Notting Hill a house in the New Forest and a house near Cape Town But more and more he feels alienated in England As the book opens he is preparing to go to South Africa with his lover Nellie He is also waiting anxiously for his daughter Lucinda to arrive from California where she has been in rehab Frank is a descendant of the Boer leader Piet Retief who was murdered by the Zulu king Dingane along with all his followers in 1838 He has been an icon of Afrikaners ever since Frank's Afrikaner cousin Jaco has become moderately famous on YouTube for having faced down a huge white shark He is now in America where he has joined the Scientologists His chaotic and violent life spills over on to Frank He is drawn into a world of violence and delusion that is to threaten the family Justin Cartwright possesses that rarest of novelist's skills the ability to create fiction which is intensely serious but which also vividly encompasses the absurdity and comedy of life *Up Against the Night* is a subtle brilliant novel about South Africa its beautiful superbly evoked landscape its violent past and its uncertain present Justin Cartwright is a descendant of Piet Retief
