Up From The Blue Susan Henderson:

Up from the Blue Susan Henderson, 2011-05-01 Tillie is an eight year old girl who doesn't stop. She buzzes with an incessant creative energy dreaming and dancing and always talking talking talking and all for her beautiful mother Mara. But for Mara even the ordinary world is too much suffocating under an unshakeable misery all she longs for is life to leave her alone. When Tillie's father receives a promotion he sees a new chance to impose order and by the time Tillie arrives in their new house her mother is nowhere to be seen. Tillie's imagination feverishly tries to solve the mystery but the truth is far more distressing than she ever could have thought. An achingly real depiction of a family struggling with mental illness *Up from the Blue* is a wrenching debut recalling the works of Lionel Shriver, Mark Haddon and Emma Donoghue. [The Flicker of Old Dreams](#) Susan Henderson, 2018-03-13 With the quiet precision of Jane Smiley's *A Thousand Acres* and the technical clarity of Mary Roach's *Stiff* this is a novel about a young woman who comes most alive while working in her father's mortuary in a small forgotten Western town. The dead come to me vulnerable sharing their stories and secrets. Mary Crampton has spent all of her thirty years in Petroleum a small Western town once supported by a powerful grain company. Living at home she works as the embalmer in her father's mortuary an unlikely job that has long marked her as an outsider. Yet to Mary there is a satisfying art to positioning and styling each body to capture the essence of a subject's life. Though some townsfolk pretend that the community is thriving the truth is that Petroleum is crumbling away a process that began twenty years ago when an accident in the grain elevator killed a beloved high school athlete. The mill closed for good the train no longer stopped in town and Robert Golden the victim's younger brother was widely blamed for the tragedy and shipped off to live elsewhere. Now out of the blue Robert has returned to care for his terminally ill mother. After Mary reserved introspective and deeply lonely strikes up an unlikely friendship with him shocking the locals she finally begins to consider what might happen if she dared to leave Petroleum. Set in America's heartland *The Flicker of Old Dreams* explores themes of resilience redemption and loyalty in prose as lyrical as it is powerful. [The Literary Review](#), 2011 **The Bird Sisters** Rebecca Rasmussen, 2011-11-22 In Spring Green Wisconsin spinster sisters Milly and Twiss have spent their lives listening to heartbeats and heartaches nursing birds and the people who bring them back to health. Back in the summer of 1947 Milly and Twiss knew nothing about trying to mend what had been accidentally broken. Milly was known as a great beauty with emerald eyes and Twiss was a brazen wild child who never wore a dress or did what she was told. That was the summer their golf pro father had an accident that cost him both his swing and his charm and their mother the daughter of a wealthy jeweler finally admitted that their hardscrabble lives wouldn't change. It was the summer their priest Father Rice announced that God didn't exist and ran off to Mexico and a boy named Asa finally caught Milly's eye. Most unforgettably it was also the summer their cousin Bett came down from a town called Deadwater and changed the course of their lives forever. Rebecca Rasmussen's masterful debut novel is full of hope and beauty heartbreak and sacrifice love and the power of sisterhood.
