cleaning the glass and rescuing victims of Atlantic storms she can still make a difference **When Will This Cruel War Be Over?: The Diary of Emma Simpson, Gordonsville, Virginia, 1864 (Dear America)** Barry Denenberg, 2011-08-01

Acclaimed author Barry Denenberg's *WHEN WILL THIS CRUEL WAR BE OVER* is now back in print with a gorgeous new package. The peaceful traditional Southern life that Emma Simpson and her family know is shattered when the Civil War reaches their soil. Soon Emma's father and brother are called to battle but her family is confident the South will quickly win the War between the States. As the months drag on though the harsh realities of war set in. Death and hardship are all around Emma and food, medicine, firewood, and ink for her to write in her diary become increasingly scarce as troops from the North march deeper into the South. Finally even her home is commandeered by the Yankees. Still with a brave spirit and the knowledge of what is most important Emma never loses hope that the war will end. **School Library Journal**, 2010 *On Board RMS Titanic* George Behe, 2012-02-29 It would make the stones cry to hear those on board shrieking. Daniel Buckley, third class passenger. For the first time in this moving new book *Titanic's* passengers and crewmen are permitted to tell the story of that lamentable disaster entirely in their own words. Included are letters, postcards, diary entries, and memoirs that were written before, during, and immediately after the maiden voyage itself. Many of the pre-sailing documents were composed by people who later lost their lives in the sinking and represent the last communications that these people ever had with their friends and loved ones at home. The subsequent letters and postcards give an unparalleled description of the events that occurred during the five days that *Titanic* was at sea and the correspondence by survivors after the tragedy describes the horror of the disaster itself and the heartbreak they experienced at the loss of those they loved. This poignant compilation by *Titanic* expert George Behe also contains brief biographies of the passengers and crewmen, victims as well as survivors who wrote the documents in question. *Lost Voices from the Titanic* Nick Barratt, 2024-03-26 A fascinating new book that includes first-hand accounts, many previously unpublished, from survivors of *Titanic's* maiden voyage. Daily Express UK. On April 15, 1912, the *HMS Titanic* sank, killing 1,517 people and leaving the rest clinging to debris in the frozen waters of the North Atlantic, awaiting rescue. Here historian Nick Barratt tells the ship's full story, starting from its original conception and design by owners and naval architects at the White Star Line through its construction at the shipyards in Belfast. *Lost Voices from the Titanic* offers tales of incredible folly and unimaginable courage, the aspirations of the owners, the efforts of the crew, and of course the eyewitness accounts from those lucky enough to survive. In narrating the definitive history of the famous ship, Barratt draws from never-before-seen archive material and eyewitness accounts by participants at every stage of the *Titanic's* life. These long-lost voices bring new life to those heartbreaking moments on the fateful Sunday night when families were torn apart and the legend of the *Titanic* was cemented in our collective imagination. What sets this book apart from others that have been published on this subject is that survivors are given the opportunity to tell their personal stories in their own words and unedited. The result is heartbreaking in detail and illuminating in its authenticity. Tucson Citizen. In
