Voices Of Terror

Sue William Silverman

Voices Of Terror:

Voices of Terror Walter Laqueur, 2004 An gripping look inside international violence and terrorism

Sound Effects: The Object Voice in Fiction, 2015-09-01 Sound Effects combines literary criticism and psychoanalytic theory in eleven original articles which explore the potential of the object voice as an analytic tool to approach fiction Alongside the gaze the voice is Jacques Lacan's original addition to the set of partial objects of classical psychoanalysis and has only recently been theorised by Mladen Dolar in *A Voice and Nothing More* 2006 With notable exceptions like Garrett Stewart's *Reading Voices* 1990 the sonorous element in fiction has received little scholarly attention in comparison with poetry and drama Sound Effects is a contribution to the burgeoning field of sound studies and sets out to fill this gap through selective readings of English and American fiction of the last two hundred years Contributors Fred Botting Natalja Chestopalova Mladen Dolar Matt Foley Alex Hope Phillip Mahoney Sylvia Mieszkowski Jorge Sacido Romero Marcin Stawiarski Garrett Stewart Peter Weise and Bruce Wyse

Fearless Confessions Sue William Silverman, 2010-01-25 Everyone has a story to tell *Fearless Confessions* is a guidebook for people who want to take possession of their lives by putting their experiences down on paper or in a Web site or e book Enhanced with illustrative examples from many different writers as well as writing exercises this guide helps writers navigate a range of issues from craft to ethics to marketing and will be useful to both beginners and more accomplished writers The rise of interest in memoir recognizes the power of the genre to move and affect not just individual readers but society at large Sue William Silverman covers traditional writing topics such as metaphor theme plot and voice and also includes chapters on trusting memory and cultivating the courage to tell one's truth in the face of forces from family members to the media who would prefer that people with inconvenient pasts and views remain silent Silverman an award winning memoirist draws upon her own personal and professional experience to provide an essential resource for transforming life into words that matter *Fearless Confessions* is an atlas that contains maps to the remarkable places in each person's life that have yet to be explored
