

TECHNICAL KNOWLEDGE TEST (TKT) TEST INFORMATION PAMPHLET

WHY DO AT&T AND ITS AFFILIATES TEST?

When individuals are being considered for our available job openings, they go through a selection process to measure their skills and abilities to determine if they can perform the jobs in a satisfactory manner. It is to the advantage of both you, as a job candidate, and the company that only those who can perform at acceptable levels be placed on the job. Research has shown that tests provide accurate measures of people's skills and abilities and, therefore, we use tests to help identify people best suited for our job openings.
