A reluctant Ellie is teamed with Rachael employed by Hunter to help with the investigation. Rachael is assistant dean at the prestigious Locard Forensic Institute named in honor of the French criminologist who inspired the profession. But in this case discovering where those traces lead quickly becomes a dangerous journey through a web of greed and deadly ambition. At first antagonists then allies Ellie and Rachael race to find the baby alive and bring the kidnappers to justice. What seemed like a simple ransom grab reveals links to a lobbying effort to loosen regulations on a billion dollar gaming empire. Unless they can piece together the evidence before the Senate hearing Rebecca's son and others like him will face an unthinkable fate.
