Pop Goes the Decade Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident **Migrants, Television and Australian Stories** Kate Darian-Smith, Sue Turnbull, Sukhmani Khorana, Kyle Harvey, 2025-05-26 This book examines the intertwined histories of television and migration in Australia told from the perspectives of migrants who worked in the screen industry and the many more who watched television Their stories demonstrate how Australia's growing cultural diversity has challenged conventional representations of Australianness on television and how ongoing advocacy has supported the growing inclusivity of multiple narratives and diverse experiences on screen Migrants from many backgrounds were instrumental in the establishment in 1956 of Australian television working behind and in front of the cameras as producers directors writers technicians and actors From early broadcasting to the digital present portrayals of cultural differences have often been shaped by appropriation ethnic stereotyping and racism This has occurred across a range of formats from drama to comedy to news and reality shows Many in the industry have responded with resilience and creative adaptation as they have increasingly taken control of the ways that migrant stories are told and diversity is celebrated The first comprehensive Australian study of migrants and television this book considers the ways multicultural audiences have experienced the small screen over seven decades Drawing on rich oral histories it analyses the memories of television in the work school family life and leisure of migrant communities and their broader engagements with Australian culture Research in the archives of broadcasters and production companies reveals how non Anglo Australian characters were constructed and how such portrayals have shifted This new history takes us to digital screen production and consumption today exploring how Australians of many diasporas engage with the global network of screen content in the twenty first century It is essential reading for media professionals advocates students and those interested in the intersections between media cultural diversity and the nation Federal Antitrust and EC Competition Law Analysis Femi Alese, 2016-12-14 This book provides the reader with a comprehensive analysis of US Federal Antitrust and EC Competition Law It is encyclopaedic in coverage examining

every constituent element of the law and landmark decisions from the perspectives of economics and policy goals explaining their implications for commercial operations and advocating policy reforms where necessary Educational Television United States. Congress. Senate. Committee on Interstate and Foreign Commerce, 1958 **EU Competition Law** Alison Jones, Brenda Sufrin, 2016 The essential guide to EU competition law for students in one volume extracts from key cases academic works and legislation are paired with incisive critique and commentary from two leading experts in the field In this fast paced subject area Alison Jones and Brenda Sufrin carefully highlight the most important cases legislation and developments to allow students to navigate the breadth of legislation and case law With their clear explanations and commentary the authors provide invaluable support to students as they approach this complex and highly technical area of law Extracts provide opportunities for students to understand the law in practice and to see its relevance to business Indispensable for undergraduate and postgraduate students alike this is the standalone guide to the competition law of the EU The text is accompanied by an Online Resource Centre containing An additional chapter on State Aid An interactive map and timeline of the EU Web links Updates in the law *Children's programming 1973-74 and 1977-78* United States. Federal Communications Commission, United States. Federal Communications Commission. Children's Television Task Force, 1979 IP and Antitrust Nuno Pires de Carvalho, 2015-04-14 Consumers can make choices because of the differentiation that is preserved by intellectual property Competition law informs intellectual property generally with the intent of ensuring that it achieves this main purpose However very often certain public policies relating to competition interfere with the way intellectual property should normally operate either with the purpose of reinforcing its differentiating role or with the objective of submitting it to other public goals such as access to essential goods and services or in recognition of situations where a given invention becomes part of a technical standard or is deemed dangerous to health or the environment This book presents eighty cases that interpret the various public policies that mould the interface of intellectual property law with competition law or antitrust Although most cases are from the United States which has developed an enormously wide wealth of jurisprudence in this area there are also cases from the European Union the United Kingdom Australia Canada South Africa Brazil South Korea India and Argentina The author presents the cases under the following general headings setting the right dosage i e avoiding too much or too little intellectual property setting the standards of differentiation refusing to license intellectual property licensing and assigning intellectual property enforcing intellectual property rights remedies intellectual property in sectors of special public interest and technical standards Revealing in extraordinary depth the tensions behind the values of the free market which intellectual property serves and the variety of responses these tensions provoke this book may be regarded as a watershed resource regarding the principles and policies that sometimes coherently sometimes not preside over the very complex relationship between intellectual property and antitrust It is sure to be greatly valued by all professionals in both fields from practitioners to policymakers as well as by

academics *Cases and Materials on EU Law* Stephen Weatherill, 2016 This classic casebook provides a valuable selection of significant cases and legislation alongside an engaging range of carefully selected extracts all of which are enhanced by insightful author notes in an easy to use and accessible format
