time divided into past present future components has been applied to the analysis of the functional cerebral substrate of
conscious awareness

5 memory of the future cambridge university press - Mar 15 2022

web jun 5 2014 surely since the action was yet to occur that representation could hardly be called memory however the
insight of future memory becomes glaring when we consider that in our mind there is no planned or future action without the
memory by association of similar actions in the past by us or by others
