The Complete Guide to Currency Trading & Investing Martha Maeda,2011

Currency trading is the practice of exchanging one country s currency for another s

The foreign exchange Currency Forex or FX market is the largest trading market in the world exceeding 3 2 trillion every single day

Essentially there are four variables involved currencies exchange rate time and interest rate

The relationships of these variables create opportunities for small investors to obtain investment returns that are unheard of in the traditional investment world

You owe it to yourself and your family to begin learning about currency trading

You can get started with just 100 and the investment can easily be managed in a part time capacity usually requiring a few hours on the Internet a week from your home or your office

Currency investments can provide you with a very high and secure rate of return in some cases as high as 12 percent 18 percent 24 percent or even 1 000 percent every year

This all sounds great but what is the catch

There really is none

You just have to know what you are doing

This groundbreaking and exhaustively researched new book will teach you everything you need to know to get you started

In no time you will be generating high investment returns with low risk from start to finish

You will discover what currency trading is how to invest
