1981 (DRAFT) TM 9-2350-255-10 M1 ABRAMS 105mm TANK OPERATOR U.S. Army,1980-12-31 I scanned the original manual at 600 dpi **Four Hours of Fury** James M. Fenelon,2020-05-12 Compellingly chronicles one of the least studied great episodes of World War II with power and authority A riveting read Donald L Miller New York Times bestselling author of Masters of the Air about World War II s largest airborne operation one that dropped 17 000 Allied paratroopers deep into the heart of Nazi Germany On the morning of March 24 1945 more than two thousand Allied aircraft droned through a cloudless sky toward Germany Escorted by swarms of darting fighters the armada of transport planes carried 17 000 troops to be dropped via parachute and glider on the far banks of the Rhine River Four hours later after what was the war s largest airdrop all major objectives had been seized The invasion smashed Germany s last line of defense and gutted Hitler s war

machine the war in Europe ended less than two months later Four Hours of Fury follows the 17th Airborne Division as they prepare for Operation Varsity a campaign that would rival Normandy in scale and become one of the most successful and important of the war Even as the Third Reich began to implode it was vital for Allied troops to have direct access into Germany to guarantee victory the 17th Airborne secured that bridgehead over the River Rhine And yet their story has until now been relegated to history s footnotes In this viscerally exciting account paratrooper turned historian James Fenelon details every aspect of the American 17th Airborne Division s role in Operation Varsity inspired The Wall Street Journal Reminiscent of A Bridge Too Far and Masters of the Air Four Hours of Fury does for the 17th Airborne what Band of Brothers did for the 101st It is a captivating action packed tale of heroism and triumph spotlighting one of World War II s most under chronicled and dangerous operations
