

Risk Assessment

The potential risks involved in undertaking a project can be presented in a tabular format as set out below. Some examples are given but your project needs to define the risk elements that are appropriate to you. A typical risk assessment table is likely to run to many rows. Other risk headings may include Hardware, software, network, data conversion, integration interfacing, user acceptance etc.

Risk	Likelihood	Impact	Risk Management Approach/Mitigating Action	Early Warning Signs
Staffs				
Lack of in house skills at initial stages	Low	High	Involvement of RSC Bextra staff to help start the process. Training the trainers	Reluctance of staff to be involved or to act as trainers
Loss of key staff	Med	Med	Succession planning and involvement of team players. Critical procedures should be recorded in a manual which is accessible and secure	Unlikely to be early warning signs other than notice periods unless requests to attend interviews received
Not meeting the needs of staff with different levels of skill	Med-High	High	Introduce flexibility, customising material and a mentoring approach	Non attendance/drop out from training sessions
Management				
Failure to get all parties to share same understanding of purpose	Med	High	Definition of stakeholder needs and clear plan with well defined deliverables. Use of sound project management methodology	Differing views on forward plan. Confused messages in draft publications
Lack of support by senior staff for something about which they have fear or lack of understanding	Med	High	Clear goals and objectives. Clear communications plan. Visible responsibility built into the ongoing management of the Project. Action-oriented meetings. Use of Intranet to show tasks, responsibility and progress. Sign off of Plan by Steering Group. Review of new projects and priorities.	Poor attendance at meetings. Regretful at previous meetings. Staff not motivated for training
Conflicting Staff Development plans and/or needs	High	Med	Analyse existing Staff Development programmes and identify integration opportunities. Build PPP into Appraisal process (quality time), performance management. Praise and recognition. Highlight any fairly clash at steering board meetings.	Request for training to HR Staff Dev. Other
Lack of buy in and commitment by staff	Med	High	Clear communications plan. Staff Development event to introduce concept with 2 way involvement encouraged. This event further feeds the Risk assessment.	Poor or variable attendance
Change of priorities of Govt or College	Low	High	Ongoing review of new internal projects and priorities. Any external changes downgrading priority of use of ILI will be high profile.	Press, College Communications

Technology Risk Assessment Report Introduction

In the digital age, access to information has become easier than ever before. The ability to download Technology Risk Assessment Report has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Technology Risk Assessment Report has opened up a world of possibilities. Downloading Technology Risk Assessment Report provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Technology Risk Assessment Report has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Technology Risk Assessment Report. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Technology Risk Assessment Report. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Technology Risk Assessment Report, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Technology Risk Assessment Report has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for

students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
