Australian case study this book narrates this profound period of proliferation It also considers how incumbent commercial networks pay TV providers and public service broadcasters developed into online TV providers albeit in assorted ways In so doing it conceives of the early impact of online TV 2015 2020 more broadly and acknowledges the role of both new and old TV players The industry wide shift towards online TV over this period also impacted existing television drama production cultures SVOD services provided a fruitful avenue for the distribution of existing archives and slowly began to support the production of new Australian content with an increasingly global focus However the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated Pivoting and Producing for Online TV Australia s Transition advances the macro analysis of television production strategies This book will be useful to students and researchers interested in media film and cultural studies **Australian Business News** ,1993 **TV Format Mogul**

Albert Moran,2013-01-06 Since the late 1990s when broadcasters began adapting such television shows as Big Brother Survivor and Who Wants to Be a Millionaire for markets around the world the global television industry has been struggling to come to grips with the prevalence of program franchising across international borders In TV Format Mogul Albert Moran traces the history of this phenomenon through the lens of Australian producer Reg Grundy s transnational career Program copycatting Moran shows began long before its most recent rise to prominence Indeed he reveals that the practice of cultural and commercial cloning from one place to another and one time to another has occurred since the early days of broadcasting Beginning in the late 1950s Grundy brought non Australian shows to Australian audiences becoming the first person to take local productions to an overseas market By following Grundy s career Moran shows how adaptation and remaking became the billion dollar business they are today An exciting new contribution from Australia s foremost scholar of television TV Format Mogul will be a definitive history of program franchising **War and Democratic Constraint** Matthew A.

Baum,Philip B. K. Potter,2015-04-27 Why do some democracies reflect their citizens foreign policy preferences better than others What roles do the media political parties and the electoral system play in a democracy s decision to join or avoid a war War and Democratic Constraint shows that the key to how a government determines foreign policy rests on the transmission and availability of information Citizens successfully hold their democratic governments accountable and a distinctive foreign policy emerges when two vital institutions a diverse and independent political opposition and a robust media are present to make timely information accessible Matthew Baum and Philip Potter demonstrate that there must first be a politically potent opposition that can blow the whistle when a leader missteps This counteracts leaders incentives to obscure and misrepresent Second healthy media institutions must be in place and widely accessible in order to relay information from whistle blowers to the public Baum and Potter explore this communication mechanism during three different phases of international conflicts when states initiate wars when they respond to challenges from other states or when they join preexisting groups of actors engaged in conflicts Examining recent wars including those in Afghanistan and Iraq War and Democratic Constraint links
