

A photograph of three women in a kitchen. The woman in the center is cutting a long, thin piece of bread. The woman on the left is looking at the bread, and the woman on the right is looking down. They are all smiling and appear to be in a warm, friendly environment.

Carolyn Alcina

Someone Is Praying For You:

Someone's Praying, Lord Arthur A. Rouner, 2016-10-15 Someone's Praying Lord is a book of prayers written specifically for situations of daily life prayers for the high times and the low prayers for times of happiness and sadness prayers in the morning and those at night This book is made up of prayers that struggled in many different times and places to be born within one's life to speak to God not just for oneself but for other people too those feelings most deeply felt those longings most secretly longed and those words most passionately needing to be said They are offered in this form as expressions of what one person standing in the need of prayer felt and said in that moment when his heart was most touched by God

Finding the Warrior Within Carolyn Alcina, 2012-08 See the power of God transform lives through your prayers We are in a war Satan has declared war on God and his people We are called to fight Discover how we have come to be involved in this battle and everything you need to know to unlock the power of prayer Learn how God places a burden on our hearts What He wants us to do with that burden A Burden Bearer becomes a Prayer Warrior To find the warrior within Through Minds' Eyes Ryan J. Hite, 2013-03-27 This is a book of history ethics and philosophy It is a record of teachings passed down through the generations from the East and the West It contains the fullness of the sealed covenant established between man and the laws of the universe As we evolve as a race we take things out of our lives because we better understand who we are and what we have achieved The divine refers to the laws of nature and the universe that guide us in our everyday lives The creator that guides our everyday lives is not something that we should worship or pray to out of fear or love it is something that remains unseen and works in natural forces to explain all the events that happen on Earth It is merely a force and it is not necessary to belong to a group to experience the light The path to the light is straight and broad The creator of the universe is a divine and intellectual force by which all things came into being The sealed covenant is a pact between all of humanity to the world around us and the universal laws that guide our everyday lives to come together and love one another and come to make the world a better place for all people This shall usher in the evolution of religious traditions and humanity to a new age of prosperity **Revival Sermons** John Wilbur Chapman, 1911 **The War Cry**, 1896 *The Power of Praying Together* Stormie Omartian, Jack W. Hayford, 2003 We are promised God's powerful presence when we gather with others in prayer Now you can spend time with Stormie Omartian and her longtime pastor Jack Hayford as they look at the life changing benefits and world changing effects that are natural results of praying with others Be encouraged Boldly enter into close fellowship with other believers to effect change in your world and in the larger world around you And know that when you are willing to link your heart with others before the throne of grace you touch lives and needs with the power of your Father in heaven Book jacket **The Epworth Herald**, 1891 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
