Some People Can T Draw Hands:

Jim Morrison's Adventures in the Afterlife Mick Farren, 2024-05-01 Part devil part angel the specter of Jim Morrison has haunted America's consciousness since his premature death in 1971 His spirit seemed dark and the graphic despair of his Lizard King persona reigned supreme in his lifetime but Jim Morrison died with a smile on his face Was his journey through the afterlife as tumultuous as his journey through life This is the question Mick Farren answers in his fascinatingly complex novel based on one of the twentieth century's most enigmatic figures Jim Morrison's Adventures in the Afterlife picks up the story of Morrison as he hurtles through a purgatory like afterlife in search of some way to bring his soul to peace Along the way he finds Doc Holliday and together they find themselves chasing the restless fire and brimstone evangelist Aimee Semple McPherson whose soul has broken after death into two warring halves McPherson's sexier half becomes the object of Jim's obsession and as the two struggle to find each other in this disordered land their wild careening chase through a dozen dystopias recalls imagined worlds as diverse as Burgess's A Clockwork Orange or Terry Gilliam's Brazil This is a daring hilarious romp through the landfill of millennial society Possessed of an imagination that rivals that of any of our edgiest fantasists steeped in the detritus and ephemera of three decades of pop culture Mick Farren has crafted in this new novel a bizarre and compelling fantasia

Out of Our Minds Ken Robinson, 2017-09-20 Creativity is critical Out of Our Minds explores creativity its value in business its ubiquity in children its perceived absence in many adults and the phenomenon through which it disappears and offers a groundbreaking approach for getting it back Author Sir Ken Robinson is an internationally recognised authority on creativity and his TED talk on the subject is the most watched video in TED's history In this book Sir Ken argues that organisations everywhere are struggling to fix a problem that originates in schools and universities Organisations everywhere are competing in a world that changes in the blink of an eye they need people who are flexible enough to adapt and creative enough to find novel solutions to problems old and new Out of Our Minds describes how schools businesses and communities can work together to bring creativity out of the closet and realise its inherent value at every stage of life This new third edition has been updated to reflect changing technologies and demographics with updated case studies and coverage of recent changes to education While education and training are the keys to the future the key can also be turned the other way locking people away from their own creativity Only by actively fostering creativity can businesses unlock those doors and achieve their true potential This book will help you to Understand the importance of actively promoting creativity and innovation Discover why creativity stagnates somewhere between childhood and adulthood Learn how to reawaken dormant creativity to help your business achieve more Explore ways in which we can work together to keep creativity alive for everyone Modern business absolutely demands creativity of thought and action We're all creative as children so where does it go When do we lose it Out of Our Minds has the answers and clear solutions for getting it back
