its navy destroyed its city walls toppled its army disbanded The fierce military state of Sparta has triumphed but passions and hate linger on Thousands of battle hardened veterans from both sides in the conflict remain scattered across the Greek islands restless and dangerous until the young Persian prince Cyrus issues a call to arms from his base in Asia Minor The rogue nobleman is raising an enormous mercenary army to wrest control of all of Persia the most powerful empire on earth from his half brother the king The young philosopher warrior Xenophon scion of a noble Athenian family and follower of Socrates risks his father s wrath and embarks on the adventure with high hopes for glory Joining his cousin Proxenus the war maddened Spartan general Clearchus and a huge body of Cyrus native troops he and ten thousand Greek mercenaries depart on an astounding march of a thousand miles across the searing desert Their near deadly journey culminates in a massive bloody battle at the very threshold of Babylon a battle that proves disastrous for them Their leaders are betrayed and murdered their supply lines cut and their route home across the desert blocked by the furious Persian king bent on revenge The Fates call on Xenophon to lead the devastated Greek soldiers in their escape though he has little experience in commanding men As the army flees toward the snowy north its situation appears desperate Months later ten thousand battered half starved soldiers stagger out of the frozen mountains of Armenia into a small Greek trading post on the Black Sea Their true tale of survival and of the heroic expedition Xenophon led through the heart of an enemy empire astonished the incredulous natives and has been the stuff of legend ever since In *Ten Thousand* Michael Curtis Ford combines his expertise on fifth century B C Greek warfare with explosive page turning action to give readers an epic novel of struggle and survival This gripping historical adventure vividly captures the glory beauty and savage bloodshed of ancient Greece

Verses: A steamy age gap rock star romance Jade C. Jamison, My band is like a dysfunctional family We re toxic We fight and judge each other and it seems like we can never agree on anything But we ve also got each other s backs When gorgeous mysterious Wolf joins our band he seems to be a calming focused presence exactly what we need in the midst of turmoil It s no wonder I fall so hard for him He gives me one excuse after another for why we can t be together but I know he wants me It s something he can t hide The question becomes if we can navigate a relationship while healing the band or if one of us will find a way to destroy it all **CONTENT WARNING** This story includes discussion of childhood trauma domestic violence past drug abuse and death Please read with caution *The Jordanares* ,2022-11-15 The greatest backup group in the history of recorded music undoubtedly was the Jordanares a gospel group of mostly Tennessee boys formed in the 1940s that set the standard for studio vocal groups in the 50s 60s 70s and beyond In their sixty five year career from 1948 through 2013 the recordings they sang on have sold an estimated eight billion copies They sang on more than 200 of Elvis s recordings including most of his biggest hits They were in three of his best known movies appeared with him on most of his early nationwide TV shows and toured with him for many years Throughout Elvis s early career they were his most trusted friends and probably his most positive influence No telling how many thousands of miles we rode together over those fourteen years

remembered Gordon Stoker the group's manager and high tenor and most of those miles were good miles with lots of laughs and lots of talk about life While the Jordanares bread and butter may have been Nashville's burgeoning recording industry it seemed that there was always a plane waiting to take them cross country to the pop sessions in L A They sang on most of Ricky Nelson's biggest hits and over the years backed up Andy Williams Fats Domino Willie Nelson Dolly Parton Dinah Shore The Everly Brothers Glen Campbell Patti Page Neil Young Perry Como Loretta Lynn Ringo Starr Tom Jones Andy Griffith Bobby Vinton Brenda Lee Patsy Cline Billy Ray Cyrus Clyde McPhatter and about 2 100 other recording acts
