Trust Me! Katie Helm, 2009-06 An exciting passionate thread of awareness of God's love and presence is woven throughout this author's life story When did her unique spiritual journey begin Was its source from imagining levitating from her bed at age three Peering on tiptoe into her beloved grandmother's coffin at age five Sitting on her blind grandfather's knee awed by his reading a Braille Bible Or holding her cousin's dying baby as they were rushed from the crash scene to the hospital At a very early age this delightful little girl with curly red hair and matching freckles became convinced that God knew her and loved her However there was scant evidence of her being special in a busy family with nine children moving from place to place following her dad's passion for the excitement of another oil boom It is a candid story of a recklessly begun marriage of passion maturing into a solid and enduring love This same passionate thread is strong bright and binding as she follows God's bidding to become a foster parent yet later watches helplessly in horror as her lovely virtuous daughter becomes a victim of violent spouse abuse The reader will find an inspiring journey of growing faith meeting all the challenges life can throw at her including three bouts with cancer adopting a troubled teenager and caring for her aged mother diagnosed with Alzheimer's disease Yet that same passionate thread darkens and becomes frayed almost to the breaking point as she describes the Great Divide Readers will immediately identify and recall their own black hole as she describes an ordeal that left an ugly gaping tear in her heart Your heart will run skip and jump as you relive this redhead's adventurous journey of faith

Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can't recognize God's answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God's Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God's love is revealed and supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged
