Marcum,2012-01-03 Although modern medicine enjoys unprecedented success in providing excellent technical care many patients are dissatisfied with the poor quality of care or the unprofessional manner in which physicians sometimes deliver it Recently this patient dissatisfaction has led to quality of care and professionalism crises in medicine In this book the author proposes a notion of virtuous physician to address these crises He discusses the nature of the two crises and efforts by the medical profession to resolve them and then he briefly introduces the notion of virtuous physician and outlines its basic features Further virtue theory is discussed along with virtue ethics and virtue epistemology and specific virtues especially as they relate to medicine The author also explores the ontological priority of caring as the metaphysical virtue for grounding the notion of virtuous physician and two essential ontic virtues care and competence In addition to this he examines the transformation of competence into prudent wisdom and care into personal radical love to forge the compound virtue of prudent love which is sufficient for defining the virtuous physician Lastly two clinical case stories are reconstructed which illustrate the various virtues associated with medical practice and it is discussed how the notion of virtuous physician addresses the quality of care and professionalism crises Vlors & Vice Sean L Johnson,2021-03-03 The Hunt continues where ADVENTURE OF HEROES RESOLUTION left off The Xeiar wizard who blew himself up has returned to seek his revenge on those who did him wrong The AOH Heroes return and immediately fall prey to a secret militia The agents of VLORs return with two additional members to the team and more information is discovered concerning a scientist who messes with human and animals DNA **The Devil and the Vice in the English Dramatic Literature Before Shakespeare** L.
