Your Career in Changing Times

Lee Ellis, Larry Burkett, 1998-01-12. Work is part of God's plan for people. For a career to be fulfilling, that work should fit into the individual's values, talents, and gifts. In *Your Career in Changing Times*, Lee Ellis and Larry Burkett explore tying a career into the large picture of pursuing God's will through efficient use of one's gifts. Whether you're a young person preparing to attend college, an executive considering a job change, or you're looking forward to retirement, *Your Career in Changing Times* is the tool you'll need to make these life-changing decisions. In a transforming workplace, you can't afford to be plagued with doubt about the skills you have to offer, and you can't afford to be uninformed about career planning.
