themselves and to the ways we experience them rather than allowing some theory to dictate what to say about them the book proves the fruitfulness of an approach that is open and responsive to the ways serious films are capable of teaching us how to think seriously about them **The Years of Alienation in Italy** Alessandra Diazzi,Alvise Sforza Tarabochia,2019-06-11 The Years of Alienation in Italy offers an interdisciplinary overview of the socio political psychological philosophical and cultural meanings that the notion of alienation took on in Italy between the 1960s and the 1970s It addresses alienation as a social condition of estrangement caused by the capitalist system a pathological state of the mind and an ontological condition of subjectivity Contributors to the edited volume explore the pervasive influence this multifarious concept had on literature cinema architecture and photography in Italy The collection also theoretically reassesses the notion of alienation from a novel perspective employing Italy as a paradigmatic case study in its pioneering role in the revolution of mental health care and factory work during these two decades **University of Michigan Official Publication** University of Michigan,1997 Each number is the catalogue of a specific school or college of the University *The Film Daily Year Book of Motion Pictures* ,1938
