The Zodiac and the Salts of Salvation George W Carey, 2025-01-10 The Zodiac and the Salts of Salvation by George W Carey and Inez Eudora Perry is a fascinating blend of esoteric philosophy astrology and biochemistry The book is often regarded as an exploration of the relationship between the twelve astrological signs and the twelve essential biochemical salts also known as cell salts or tissue salts that are believed to maintain health and balance in the human body

The Zodiac and the Salts of Salvation: Two Parts George W. Carey, 2018-07-25 After digesting the material presented by Carey and Perry readers will have a new understanding of basic homeopathic principles as well as being able to tie various homeopathic remedies to the sun signs Once this is understood it is reasonable that the position of the Moon and ascendant in the natal chart and even the position of Saturn may well be indicators of homeopathic remedies that are needed by the physical body For example when an Aries is too quick to anger perhaps a regular dose of kali phosphate may even out the temper Or when Virgo is beginning to feel digestive problems kali sulphate may help balance out the minerals in the body Nothing beats going to the doctor when needing a diagnosis however knowing the basics of homeopathy can also be likened to keeping a first aid kit in the house In Part I Dr Carey relates the parts of the body to the biochemical cell salts homeopathic remedies that were espoused by Dr Schuessler Part II by Inez Perry enlarges upon the symbolism of the sun types and the basics about the homeopathic remedies She discusses the twelve sign types in relation to Biblical symbolism and also combines information from the Kabbalah masonic texts eastern and western philosophy to trace the spiritual symbolism of the signs She then shows how the twelve basic biochemical remedies work with the sign types According to Carey and Perry astrology deals with the body anatomy of the Grand Man the universe and by analogy with the human body as it relates to astrological symbolism The authors bring back to contemporary astrology students the ancient symbolism that was once common knowledge to astrologers

Relation of the Mineral Salts of the Body to the Signs of the Zodiac George W. Carey, 2021-03-15.

Dr George Washington Carey's 1932 work *Relation of the Mineral Salts of the Body to the Signs of the Zodiac* unites homeopathy and astrology to explain both the causes and cures of human disease. Dr Carey's unique blend of chemistry, physiology, religion and astrology has made him a popular writer in homeopathic circles since the early 20th century. Dr Carey's work was greatly influenced by the experiments of another contemporary doctor Wilhelm Heinrich Schuler. Dr Schuler was the first to identify the twelve cell salts which Dr Carey expounds on further in *Relation of Mineral Salts*. Dr Carey is perhaps best known for his *Chemistry of Life* publications released in the 1910s. These works are still popular in New Age circles. In *The Chemistry of Human Life* 1919 Dr Carey originated the idea that the human body is a chemical formula in operation and without each chemical in the correct amount the formula will no longer create the desired effect: a healthy and vibrant person. *Relation of the Mineral Salts of the Body to the Signs of the Zodiac* expands on this idea and ties these chemical needs to the Zodiac. Published posthumously in 1932, this work was co-written with Inez E. Perry. Dr Carey collaborated with Ms Perry several times before his death in 1924. *Relation* is Dr Carey's contribution to a larger two-part work titled *The Zodiac and the Salts of Salvation*. In this short volume Dr Carey explains that all maladies are due to a deficiency in some necessary chemical or cell salt. Just as the cure for a shadow is to introduce light, the cure for maladies of the human body is to introduce some vital element for the nourishing of our blood and organs. But which cell salts are we deficient in? That may well depend on the position of the sun at our birth or our Zodiac signs. Dr Carey describes the 12

signs of the Zodiac including their characteristics and the cell salts that he recommends to cure the diseases of each For example those born between June 21st and July 22nd under the sign of Cancer exhibit tenacity in holding onto home or dwelling place This is represented by the crab who has both a tight grip and carries its house along wherever it goes in order that it may be sure of a dwelling Dr Carey identifies the salt fluoride of lime or calcium fluoride as the most important salt for the Cancer When it is deficient tissue fiber loses its elasticity Symptoms of this relaxation can include varicose veins and interestingly a groundless fear of financial ruin There are Biblical connections explored as well Dr Carey associates both the twelve apostles and the twelve sons of Jacob and their respective tribes to an astrological sign Jacob s tenth Zebulun or Zebulun in many modern translations represents Cancer His name even translates to dwelling in Hebrew Dr Carey was not the first to make the connection between the twelve sons of Jacob twelve apostles of Christ and the Zodiac In fact Rev Robert Taylor may have been the first to make this connection in the mid 19th century in a series of controversial sermons His ideas were so contentious that he was banned from preaching in the United Kingdom The second part of the work written by frequent collaborator Inez E Perry is titled Esoteric Analysis and Synthesis of the Zodiacal Signs and their Physiochemical Allocations This volume expands on Relation of Mineral Salts and provides guidance for the use of each mineral to cure disease and reach a more enlightened spiritual state **CATALOG 1998 SAMUEL WEISER, Catalog of Copyright**
