Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book's meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest

How to Study the Bible Willis C. Newman, 2010-04-30 This book covers the basic concepts concerning the interpretation of the Bible. The major sections covered include personal preparation steps, kinds of interpretation, procedures for interpretation, rules of interpretation, types of biblical literature, special forms of literature, and personal application of Bible truths. There is an introduction to many Bible study tools. There is an emphasis on the literal method, which means to interpret the Bible in a plain, literal, straightforward manner using the normal rules of literature interpretation.

The Book of Proverbs and Arabic Proverbial Works Riad Kassis, 2014-09-03 This is the first detailed study that critically compares and contrasts the wisdom sentences of the Book of Proverbs with classical and post-classical Arabic proverbs. Reference is also made to current Arabic proverbs. The wisdom tradition of Solomon is examined and is compared to that of the Arab sage Luqmān. The book deals with three main themes that are of special significance both in the Book of Proverbs and in Arabic proverbial works: royalty, speech and silence, wealth and poverty. The book concludes with a study of some formal critical and traditional historical aspects of the treated proverbs. Hundreds of classical Arabic proverbs and wisdom sayings of Prophet Muhammad appear for the first time in English.

Book of Daniel Henry O. Thompson, 2020-10-28 Book of Daniel: An Annotated Bibliography. This volume is one of a series of bibliographies on the books of the Bible. This is the first volume of the series of bibliographies described in the series introduction. In this case, on the Book of Daniel in the Old Testament (OT) or the Hebrew Scriptures (Tanakh). Scholars for these bibliographies have been drawn from across the Judeo-Christian perspective as well as across doctrinal perspectives. These bibliographies should be of value to students and faculty, to laity and professional, to religious and academic groups for undergraduate and graduate study. They should serve a significant role as reference works in libraries for the public, the university, and religious groups as well as individuals.

The Timeless Textbook Dr. E. Lee Duncan, 2022-11-03 The Timeless Textbook is an educator's look into God's plan for education as revealed in the Old Testament Book of Proverbs. The premise of this book is that God inspired Solomon and others to create a textbook for students to use as they were taught by parents or by instructors in Solomon's palace. The Book of Proverbs looks at the teaching-learning process and explores the roles of parents, teachers, students, and authorities. This timeless textbook is applicable to students of all ages and is just as relevant today as when it was written close to three thousand years ago.

The Moody Handbook of Theology Paul Enns, 2014-03-27 The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool. In the 25th Anniversary Edition of The Moody Handbook of Theology, in this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical, dogmatic, and contemporary. Each section includes an introduction, chapters on key points, specific studies pertinent to that theology, books for further study, and

summary evaluations of each dimension Charts graphs glossary and indexes add depth and breadth Theology once the domain of academicians and learned pastors is now accessible to anyone interested in understanding the essentials of what Christians believe The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike

Axis of Glory Dan Liroy,2010 In Axis of Glory Dan Liroy conducts a biblical and theological analysis of the temple motif as a conceptual and linguistic framework for understanding Scripture His investigation takes a fresh look at the topic assesses a representative group of the Judeo Christian writings through the various prisms of secondary literature and offers a synthesis of what appears in the biblical data The author notes that references and allusions connected with the temple motif crisscross the entire literary landscape of Scripture An additional finding is that the presence of the shrine concept is comparable to a series of rhetorical threads that join the fabric of God s Word and weaves together its seemingly eclectic and esoteric narratives into a richly textured multicolored tapestry The author concludes that the Bible s theocentric and Christocentric emphases are heightened in their intensity and sharpened in their focus due to the temple motif making its way through the pages of the sacred text beginning with the opening chapter of Genesis and ending with the final chapter of Revelation

A Biblical-Theological Introduction to the Old Testament Miles V. Van Pelt,2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ

The World, Genesis, and Theology of the Pentateuch John M. Powell,2022-03-11 The World Genesis and Theology of the Pentateuch sets its focus on God s redemption of the entire human race following the entrance of sin into the physical time space i e the physical universe physical realm of creation Redemption didn t begin in the New Testament but in the first book of the Bible called Genesis As such God has been reaching out to people through various means methods and ways to rebuild the divine and human relationship that became broken by Adam and Eve in the Garden of Eden Satan understood God s plan to save humanity and never set idly by to watch his purposes unfold in the lives of people He countered by introducing a false narrative of the origin of people and the universe to all of those willing to believe him and surrender faith in place of what can be explained away or sounds good The counter narrative to God s inspired message of creation is evolution It purports teachings by people who reject the creation account in Genesis chapter one Evolution is therefore populism It floods the education systems and many other worldly institutions under the disguise of being scientific which is not scientific at all Other counter narratives extending out of evolution includes the evolution of the species and the big bang theory which two systems that stand in opposition to the Bible Additional points of emphasis include

Redemption began with the fall of humanity in Genesis and was completed in Jesus Christ in the New Testament. It uncovers how redemption began and took shape in beginning stages of human history and how God's plan of redemption became clearer with the personal calling of Abraham through Israel and Moses. The 5 books of Moses called the Pentateuch embodies one third of the Hebrew Bible Old Testament prior to Jesus Christ in the New Testament. Genesis leads the way in God's message to the human race. The ancient Gentile nations that vowed allegiance to other exalted deities apart from God manufactured their own religions, beliefs, literature, and teachings they tied to the deities they revered as divine. Such writings became the nucleus through which the nations viewed the world from the concept of religion, their gods, and the afterlife, and thereby competed with the knowledge of Israel's concepts in the way they viewed the God of Abraham, Isaac, and Jacob. Redemption is not and cannot be found in other forms of worldly wisdom, knowledge, and teaching. But God's concept of people accepting him on the basis of faith in his word mirrors the example of Abraham's faith in the one true God that created all things that exist. John M. Powell PhD ABD Meeting God on the Mountain Verla M. Blom, 2016-02-22 Explore the mountains of Israel and the mountains of Montana through the eyes of past and present mountain men and women. Climb to the top of Mount Sinai with Moses. Ascend the heights of Mount Hor with Aaron. Shout from a mountaintop with Isaiah. Ride on a donkey into a mountain ravine with Deborah. Compare Biblical mountain ghost towns with Montana mountain ghost towns. Sit on a mountainside with Jesus and learn about mountain flowers. Learn about the Maker of heaven and earth through this unique presentation of Rocky Mountain stories and photos placed side by side with Biblical texts. Meeting God on the Mountain is a series of forty lessons suitable for personal study of the Bible or as a stimulus for group discussion. Is God Silent When We Hurt? H. Stuart Atkins, 2021-02-25 The problem of evil and human suffering is the chief reason for atheism and doubt. H. Stuart Atkins challenges skeptics and encourages believers in this book tackling big questions from a secular and biblical perspective. The goal is to answer this: If God exists and is all loving, why do the innocent suffer and why does evil exist? On the theological and philosophical side, attempts to reconcile the existence of God with the reality of evil often fall prey to logical fallacies of the nature of God. Such attempts not only fail to solve the problem of pain and suffering but they turn a difficult problem into an impossible problem. By confronting the truth, we can serve the best interests of scholarship, theology, and philosophy. If one is to use logic as a tool for exposing the alleged inconsistencies of the Christian faith, the game must be played by logical rules. Join the author as he overcomes ambiguity, circular reasoning, and fallacies to answer questions surrounding God, good, and evil. **Introduction to the Old Testament, set of four books (Prophetic, Poetic, Pentateuch, Historical)** C. Hassell Bullock, David Howard Jr., Herbert Wolf, 2007-09-01 This package contains all four books of An Introduction to the Old Testament set: An Introduction to the Old Testament Historical Books, An Introduction to the Old Testament Poetic Books, An Introduction to the Old Testament Prophetic Books, and An Introduction to the Old Testament Pentateuch. In An Introduction to the Old Testament Historical Books, incredible events, amazing love,

stories larger than life personalities and deep theological implications and themes are just part of the treasure that awaits readers These books tell the story of the nation of Israel and the God who loves her punishes her and always brings this recalcitrant people back to Himself In *An Introduction to the Old Testament Poetic Books* C Hassell Bullock a noted Old Testament scholar delves deep into the hearts of the five poetic books offering readers helpful details such as hermeneutical considerations for each book theological content and themes detailed analysis of each book and cultural perspectives In *An Introduction to the Old Testament Prophetic Books* C Hassell Bullock presents a clear picture of some of history's most profound spokesmen the Old Testament prophets and the God who shaped them Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In *An Introduction to the Old Testament Pentateuch* Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch
