Creative Arts-Based Research in Aged Care Evonne Miller, 2021-03-30 This timely book explores what it is like to live in an aged care home the expectations that new residents and their families enter with their relationships with fellow residents and formal caregivers and how they approach in different ways the reality that this place is where they will die Creative Arts Based Research in Aged Care draws on an immersive semi longitudinal four year study and purposely privileges the voices and perspective of older residents Using creative arts based qualitative research methods specifically participatory photography and research poetry it demonstrates the experience of contemporary aged care from the perspective of those who matter most older residents Divided into three parts covering entering residential aged care daily life in aged care and dying in aged care the book stimulates debate and discussion about current practice and the future of aged care in the context of rapid population ageing

and care automation It is essential reading for all scholars and students working in the fields of gerontology social work psychology design and nursing particularly those tasked with redesigning aged care in the twenty first century *Social Policy for an Aging Society* Carole B. Cox, 2015-01-16 As people age they are at increased risk of having their basic human rights threatened or violated When age is perceived as incompetence it can easily lead to discrimination that impacts human rights Based on the premise that social policy must reflect human rights principles this graduate level textbook views the challenges associated with aging as opportunities for policy development that stresses the rights of older adults rather than needs The text distinguishes between needs and rights and describes those policies and services that best ensure that the rights of older adults are actually met particularly programs that enable people to remain in their own communities so they can benefit from continued integration and participation in society Issues and challenges surrounding such efforts and gaps in social policies faced by specific subsets of older people are critically examined The book first analyzes current aging policies and rights and considers the Older Americans Act as a basic policy framework With an eye to promoting independence the book discusses issues of income housing transportation health and home care and what constitutes a livable community along with policies that promote wellbeing and focus on preventing senior abuse and exploitation Challenges faced by older workers are covered as are issues particular to family caregivers older women and grandparents as caregivers Gaps in social policies for LG BT seniors and older members of specific ethnic groups are discussed Particular attention is given to global issues and aging policies in diverse countries and the ways in which they reflect human rights concerns Each chapter concludes with probing discussion questions for classroom use KEY FEATURES Presents a human rights framework for aging policy Distinguishes between needs and rights of older persons Focuses on policies and programs that can help older people to remain in the community Explores the issues and challenges of specific older populations Discusses global responses and concerns with regard to older persons and human rights Carole B Cox MSW PhD is professor at the Graduate School of Social Service Fordham University She is a fellow of the Gerontological Society of America and a Fulbright scholar She is the author of more than 50 journal articles and chapters dealing with various aspects of aging and caregiving with extensive research on caregivers for persons with dementia their needs and their use of services Her recent work includes a study of the impact of dementia on the workplace Her caregiving research also includes that of grandparents raising grandchildren leading to the development of a curriculum Empowering Grandparents Raising Grandchildren A Training Manual for Group Leaders Springer Publishing Company 2000 She is the editor of To Grandmother s House We Go and Stay Perspectives on Custodial Grandparents Springer Publishing Company 2000 Her other books include Home Care for the Elderly An International Perspective coauthored with Abraham Monk 1991 The Frail Elderly Problems Needs and Community Responses 1993 Ethnicity and Social Work Practice coauthored with Paul Ephross 1998 Community Care for an Aging Society Policies and Services Springer Publishing Company 2005 and Dementia and Social Work Practice Springer

Publishing Company 2007 **Governing Health** William G. Weissert, Carol S. Weissert, 2019-04-02 How do government and private interests shape the health policy process In this classic text William G Weissert and Carol S Weissert describe how government and private interests help define health policy Under the Obama administration the federal government took a broadened role in setting health policy and insurance regulations But the succeeding Trump administration and a Republican congress threatened to dismantle the Affordable Care Act ACA and its core tenets Chronicling these recent important changes Governing Health explores the political science theory behind this and other major shifts in national health policy In this thoroughly updated edition the authors describe how party polarization a virulent anti government movement populist presidential politics and the demise of regular order in Congress shape and define a new approach to health policy This revised edition also offers a comprehensive synthesis of Obamacare touching on everything from Accountable Care and Pay for Performance to insurance industry reforms highlights the important role of social media in building opposition to universal coverage tracks passage of the new Medicare physician payment reform MACRA analyzes presidential executive orders and administrative rulemaking in dismantling the Affordable Care Act examines the implications of Supreme Court decisions on Medicaid expansion and state health policy updates all statistics charts and tables This new edition of a highly respected book guides readers toward a deep understanding of modern health policy s complexities Drawing on compelling current examples Governing Health is a timely and essential book

Infection Prevention and Control in Healthcare, Part II: Clinical Management of Infections, An Issue of Infectious Disease Clinics of North America, E-Book Keith S. Kaye, Sorabh Dhar, 2021-11-02 Infection Prevention and Control in Healthcare Part II Clinical Management of Infections An Issue of Infectious Disease Clinics of North America E Book
