Robyn C. Rhodes, 2013-01-15 Jade Emily Thomass childhood was spent in a juvenile psychiatric unit Diagnosed with infantile schizophrenia at the age of seven and made a ward of the court by her parents who couldn't cope with the truths she spoke Jade had known when someone was going to die by the time she was a toddler This gift or curse would change her life and the lives of those that break her out of the psychiatric unit The reasons they want her when her own parents abandoned her becomes clear as her powers grow These strangers need her and so does everyone on earth Science Fact and Science Fiction Brian Stableford, 2006-09-06 Science fiction is a literary genre based on scientific speculation Works of science fiction use the ideas and the vocabulary of all sciences to create valid narratives that explore the future effects of science on events and human beings Science Fact and Science Fiction examines in one volume how science has propelled science fiction and to a lesser extent how science fiction has influenced the sciences Although coverage will discuss the science behind the fiction from the Classical Age to the present focus is naturally on the 19th century to the present when the Industrial Revolution and spectacular progress in science and technology triggered an influx of science fiction works speculating on the future As scientific developments alter expectations for the future the literature absorbs uses and adapts such contextual visions The goal of the Encyclopedia is not to present a catalog of sciences and their application in literary fiction but rather to study the ongoing flow and counterflow of influences including how fictional representations of science affect how we view its practice and disciplines Although the main focus is on literature other forms of science fiction including film and video games are explored and because science is an international matter works from non English speaking countries are discussed as needed

A Genius for Deception Nicholas Rankin, 2009-11-10 In February 1942 intelligence officer Victor Jones erected 150 tents behind British lines in North Africa Hiding tanks in Bedouin tents was an old British trick writes Nicholas Rankin German general Erwin Rommel not only knew of the ploy but had copied it himself Jones knew that Rommel knew In fact he counted on it for these tents were empty With the deception that he was carrying out a deception Jones made a weak point look like a trap In *A Genius for Deception* Nicholas Rankin offers a lively and comprehensive history of how Britain bluffed tricked and spied its way to victory in two world wars As Rankin shows a coherent program of strategic deception emerged in World War I resting on the pillars of camouflage propaganda secret intelligence and special forces All forms of deception found an avid sponsor in Winston Churchill who carried his enthusiasm for deceiving the enemy into World War II Rankin vividly recounts such little known episodes as the invention of camouflage by two French artist soldiers the creation of dummy airfields for the Germans to bomb during the Blitz and the fabrication of an army that would supposedly invade Greece Strategic

deception would be key to a number of WWII battles culminating in the massive misdirection that proved critical to the success of the D Day invasion in 1944 Deeply researched and written with an eye for telling detail **A Genius for Deception** shows how the British used craft and cunning to help win the most devastating wars in human history **An Amazing Human Journey** Shakuntala Modi, M.D.,2014-10-30 When did the first humans begin to inhabit the Earth How did they get here Why and for what purpose were they put here How did they evolve from the first humans who looked like a Botticelli painting to ape like humans to modern day humans You will also read about Lemuria and Atlantis and without spirituality how Atlanteans destroyed themselves and their continent Dr Modi explains all this and more in her remarkable work about the astounding past and future of mankind In doing this she describes how spirituality is the key to successfully fulfilling mankind s desire to become one with God According to Dr Modi human beings have the unique potential to create a heaven like society on Earth by spreading the spirituality on Earth that will eventually spread to neighboring planets galaxies and the entire universe through the continued development and enhancement of spirituality From what was to what is could well include a future with the entire universe going home to God The book takes you on what can only be described as An Amazing Human Journey **Serpent of Light** Drunvalo Melchizedek,2008-01-01 Serpent of Light is a masterful description of the great Earth activations that are occurring during the end of the Mayan Calendar Barbara Hand Clow author of The Mayan Code Every 13 000 years on Earth a sacred and secret event takes place that changes everything Mother Earth s Kundalini energy emerges from its resting place in the planet s core and moves like a snake across the surface of our world Once at home in ancient Lemuria it moved to Atlantis then to the Himalayan mountains of India and Tibet and with every relocation changed our idea of what spiritual means And gender And heart This time with much difficulty the Serpent of Light has moved to the Andes Mountains of Chile and Peru Multi dimensional multi disciplined and multi lived for the first time in this book Drunvalo begins to tell his stories of thirty five years spent in service to Mother Earth Follow him around the world as he follows the guidance of Ascended Masters his two spheres of light and his own inner growing knowledge His story is a living string of ceremonies to help heal hearts align energies right ancient imbalances and balance the living Earth s Unity Consciousness Grid in short to increase our awareness of the indivisibility of life in the universe We are all rocks and people and interdimensional beings one Life may seem to be business as usual but it is not We are changing fast Remember this for life is going to present stranger things to you in your lifetime and they all have meaning and purpose Only Mother Earth and ancient Maya know what s going to happen from Serpent of Light *The Stargate Conspiracy* Lynn Picknett,2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this

momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it The Routledge Handbook of Archaeology and the Media in the 21st Century Lorna-Jane Richardson, Andrew Reinhard, Nicole Smith, 2024-06-20 The Routledge Handbook of Archaeology and the Media in the 21st Century presents diverse international perspectives on what it means to be an archaeologist and to conduct archaeological research in the age of digital and mobile media This volume analyses the present day use of new and old media by professional and academic archaeology for leisure academic study and or public engagement and attempts to provide a broad survey of the use of media in a wider global archaeological context It features work on traditional paper media radio podcasting film television contemporary art photography video games mobile technology 3D image capture digitization and social media Themes explored include archaeology and traditional media archaeology in a digital age archaeology in a post truth era and the future of archaeology Such comprehensive coverage has not been seen before and the focus on 21st century concerns and media consumption practices provides an innovative and original approach The Routledge Handbook of Archaeology and the Media in the 21st Century updates the interdisciplinary field of media studies in archaeology and will appeal to students and researchers in multiple fields including contemporary public digital and media archaeology and heritage studies and management Television and film producers writers and presenters of cultural heritage will also benefit from the many entanglements shared here between archaeology and the contemporary media landscape

A Glimpse Beyond the Veil Gordon Neal, 2019-07-08 The story begins with Gordon and Jane walking on a corridor on the astral plane Their two blue regal tigers accompany them The tigers are their spirit guides and guardians Soon they find themselves in a series of rooms which have the internal appearance of a monastery The rooms are located inside a rock formation There are no doors or signs of an entrance Huge pillars with open spaces between allow light to enter They are standing in a large room with a group of native American tribal elders who are seated at a large table Gordon is included in a group of twelve men who are called the selected Jane is in a group of twelve women called the accepted Each pair of the selected and accepted will have a role to play in the future involving spiritual awakenings Born in the same year all of the selected of that year are male and their accepted partners are female On alternate years it is reversed with the females being the selected and males the accepted
