Ezuma, 1965 **The Nature of Being Human** Harold Fromm, 2009-05-04 Although the physical relationship between the natural world and individuals is quantifiable the psychosocial effect of the former on the latter is often less tangible What for instance is the connection between the environment in which we live and our creativity How is our consciousness bounded and delimited by our materiality And from whence does our idea of self and our belief in free will derive and when do our surroundings challenge these basic assumptions Ecocritic Harold Fromm s challenging exploration of these and related questions twines his own physical experiences and observations with insights gathered from both the humanities and the sciences Writing broadly and personally Fromm explores our views of nature and how we write about it He ties together ecology evolutionary psychology and consciousness studies to show that our perceived separation from our surroundings is an illusory construct He argues for a naturalistic vision of creativity free will and the literary arts unimpeded by common academic and professional restraints At each point of this intellectual journey Fromm is honest engaging and unsparing Philosophical critical often personal Fromm s sweeping interdisciplinary and sometimes combative essays will change the way you think about your place in the environment **The Death of Jesus and the Politics of Place in the Gospel of John** Peter Claver Ajer, 2016-09-01 This book s findings are rich and intriguing In his death Jesus the chief architect in the production of space in the Christian realm founds an alternative community that reorders space and creates a new reality for believers This new community which dwells in this radical new space successfully resists the domination of oppressive regimes and mindsets such as the Roman Empire Suffering is transformed here Many recent biblical studies have utilized various methodologies and historical critical viewpoints which have been helpful However drawing on theories of space and postcolonial approaches Dr Ajer breaks new ground in Johannine studies a new terrain that will yield much fruit The new understandings of space provide a key with which we may unlock more of the mysteries of the Fourth Gospel as Ajer here

demonstrates with powerful new discoveries and insights into John s Passion narrative A Short History of Chinua Achebe's Things Fall Apart Terri Ochiagha,2018-11-12 The publication of Chinua Achebe s Things Fall Apart 1958 is heralded as the inaugural moment of modern African fiction and the book remains the most widely read African novel of all time Translated into dozens of languages it has sold more than twelve million copies and has become a canonical reading in schools the world over While Things Fall Apart is neither the first African novel to be published in the West nor necessarily the most critically valued its iconic status has surpassed even that of its author Until now in the sixtieth anniversary year of its publication there has not been an updated history that moves beyond the book s commonly discussed contexts and themes In the accessible and concise A Short History of Chinua Achebe s Things Fall Apart Terri Ochiagha provides that history asking new questions and bringing to wider attention unfamiliar but crucial elements of the Things Fall Apart story These include new insights into questions of canonicity and into literary historiographical and precolonial aesthetic influences She also assesses adaptations and appropriations not just in films but in theater hip hop and popular literary genres such as Onitsha Market Literature The 100 Best Business Books of All Time Jack Covert,Todd Sattersten,2011-11-01 Thousands of business books are published every year Here are the best of the best After years of reading evaluating and selling business books Jack Covert and Todd Sattersten are among the most respected experts on the category Now they have chosen and reviewed the one hundred best business titles of all time the ones that deliver the biggest payoff for today s busy readers The 100 Best Business Books of All Time puts each book in context so that readers can quickly find solutions to the problems they face such as how best to spend The First 90 Days in a new job or how to take their company from Good to Great Many of the choices are surprising you ll find reviews of Moneyball and Orbiting the Giant Hairball but not Jack Welch s memoir At the end of each review Jack and Todd direct readers to other books both inside and outside The 100 Best And sprinkled throughout are sidebars taking the reader beyond business books suggesting movies novels and even children s books that offer equally relevant insights This guide will appeal to anyone from entry level to CEO who wants to cut through the clutter and discover the brilliant books that are truly worth their investment of time and money *Postcolonial Imaginations and Moral Representations in African Literature and Culture* Chielozona Eze,2011-12-16 The postcolonial African culture as it is discoursed in the academia is largely influenced by Africa s response to colonialism To the degree that it is a response it is to considerably reactive and lacks forceful moral incentives for social critical consciousness and nation building Quite on the contrary it allows especially African political leaders to luxuriate in the delusions of moral rectitude imploring at will the evil of imperialism as a buffer to their disregard of their people This book acknowledges the social and psychological devastations of colonialism on the African world It however argues that the totality of African intellectual response to colonialism and Western imperialism is equally if not more damaging to the African world In what ways does the average African leader indeed the average African judge and respond to his world How does he conceive of his responsibility

towards his community and society The most obvious impact of African response to colonialism is the implicit search for a pristine innocent paradigm in for instance literary philosophical social political and gender studies This search has its own moral implication in the sense that it makes the taking of responsibility on individual and social level highly difficult Focusing on the moral impact of responses to colonialism in Africa and the African Diaspora this book analyzes the various manifestations of delusions of moral innocence that has held the African leadership from the onerous task of bearing responsibility for their countries it argues that one of the ways to recast the African leaders responsibility towards Africa is to let go on the one hand the gaze of the West and on the other of the search for the innocent African experience and cultures Relying on the insights of thinkers such as Frantz Fanon Wole Soyinka Kwame Anthony Appiah Achille Mbembe and Wolfgang Iser this book suggests new approaches to interpreting African experiences It discusses select African works of fiction as a paradigm for new interpretations of African experiences

The Truth: Black People Are Earth — The First People on This Planet THOMAS TCHEUFFA, 2025-07-18 THE TRUTH BLACK PEOPLE ARE EARTH Subtitle The Untold Origins of Humanity Melanin and the Power of the First People By Thomas Tcheuffa Did you know that most kingdoms in Europe were once ruled by Black people Did you know the name Europe itself comes from Europa a figure in ancient mythology often portrayed as a Black woman with roots tracing back to Africa This challenges common Eurocentric narratives and reveals Africa s foundational influence on European history and culture Ask yourself Why isn t African history or geography properly taught in your school books Why do the world the system and the media rarely talk about where all life on this planet truly began Why is Africa so often portrayed only as a land of misery famine and disease on your TV screens What if everything you thought you knew about humanity s origins was incomplete What if Black people were not just witnesses but the true architects of the Earth and life itself Before Africa took shape we were already here Before the Earth knew itself we shaped it The secret of life is written in melanin our truth reaches beyond time itself This is not just a theory It is the primal breath the original source Thomas Tcheuffa Drawing on extensive research and a deep personal connection to this history Thomas Tcheuffa dismantles colonial narratives to reclaim the central place of Black people in the creation and evolution of life on our planet Inside you will discover The biological and spiritual power of melanin Africa as the birthplace of Homo sapiens the cradle of humanity The deep metaphysical connection between blackness and the Earth Why knowing this truth is essential for global healing and empowerment Who is this book for Truth seekers Afrocentric thinkers and anyone ready to understand the profound meaning of identity ancestry and power Understanding our truth is embracing our primal power Thomas Tcheuffa It is time for Africa s sons and daughters to reclaim their ancestral spirituality to reconnect and honor their ancestors and Orishas and to recover the sacred masks and totems looted by Europe and the Vatican This is where all our genius and creations reside deep within us and in our melanin Explore this revelatory book and embark on a journey of ancestral identity and power Order THE TRUTH today Author s Note Thomas Tcheuffa This book was not written for fame

nor for debate It was written because silence has become violence and distortion has become doctrine Too many lies have been repeated as history Too many truths buried beneath fear and manipulation I did not write this book to ask for permission to speak I wrote it to remind the world that Black people are not a branch of history we are its root This work is not anti anyone it is pro truth It is for those ready to unlearn and reawaken It is for the children of the sun the seekers of light and the warriors of memory You don t need to be Black to read this book but you must be brave Because truth requires courage The truth is not meant to comfort it is meant to free Thomas Tcheuffa Explore all editions and series by Thomas Tcheuffa <https://www.amazon.com/author/thomastcheuffa> Learn more Rhythms Movements SalsaEverybody com Email info@salsaeverybody.com FB Page SalsaEverybody or Tropical Dance Escape
