Edgerton,2023-04-04 A captivating and analytical compendium to the hit show and its creation story and impact on contemporary media and popular culture This one stop primer offers a succinct analysis of one of the most skillfully produced artistically innovative and culturally resonant scripted series in modern television It opens by explaining how *Mad Men* AMC 2007 2015 functions as a representative example of much deeper and more profound structural changes happening in television since the 2000s Gary R Edgerton highlights influences

driving the creation of the show including creator Matthew Weiner's personal connections to the subject matter and the development of the main character Don Draper (Jon Hamm). Analysis of the show's story progression is delineated by a pivotal shift from a culturally relevant Zeitgeist phenomenon to a narrative more concerned with Draper's introspective and existential journey to reconciliation and self-awareness. Cultural reflections are also explored with interrogations of privilege and prejudice, the American Dream, ethnicity, race, gender, politics, and class as witnessed through the program's complex and conflicted characters. Following its debut, *Mad Men* quickly became a bellwether of contemporary culture. The award-winning series set the creative standard in drama over the span of its initial run and is now recognized as a milestone in the history and development of scripted television. Throughout its seven seasons, the series struck a delicate balance of being both complex and cerebral while also entertaining and accessible, a balance that Edgerton skillfully carries over to this book.

Hustle Sweet Love Maggie Davis, 2014-04-01 From small town streets to high fashion runways, one model's life changes and love will never be the same. By the author of *Diamonds and Pearls*, Leaving Tulsa, Oklahoma behind for the glamorous life of a fashionista in New York City, model Lacy Kingsley finds herself on an adventurous journey of self-discovery. Lacy's all-American good looks and sexy fashion sense not only help her land a job at fabulous *Fad Magazine* but also get her into mischief when she is mistaken for a high-priced escort by a charismatic and powerful publishing magnate. One passionate encounter with cool-headed Michael soon grows into something much more as Lacy's life is changed in ways a small town girl would have never dreamed.
