The Beatles: Having Read the Book Greg Sterlace, 2015-07-26 The cottage industry of Beatles publications is more prolific now than it ever was As the band recedes into the mystic fog of 20th century history we get more and more documentation about their music their love lives their personalities and their finances I wanted to try to make sense of it by reviewing the best and the worst of the Beatles tomes as they stand side by side in bookstores everywhere I spent 40 years reading about them knowing that one day I would share my accumulated knowledge with the fans in Pepperland Having read the book I'd love to turn you on The Last Word and the Word after That Brian D. Bathtub Brian Hogan, 2017-10-22 The 10th Anniversary of *There's a Sheep in my Bathtub* is being marked and honored by a fresh edition with updated content and many more illustrations 85 in all What happens when you drop an American family with three small children into the post Communist chaos of Outer Mongolia *There's a Sheep in my Bathtub* chronicles the adventures of the Hogan family as they try to follow God's leading into one of the world's most remote and mysterious enclaves Brian and Louise meet during their college days at Cal Poly State University in San Luis Obispo and embark on a pursuit of a calling to the nations that propels them from the Navajo Nation's painted desert in Arizona to the wild steppes of Central Asia Along their way five children join the cross cultural roller coaster Disarmingly honest and charmingly humorous their tale will thrill you and bring tears to your eyes An intensely personal memoir this book still manages to pack a powerful dose of missionary insight and Biblical principles for seeing the Church explode into life among peoples that have never even heard of Jesus Get comfortable You will not be able to put it down From the very first page this book jerks you irretrievably into the outrageous the uproarious and the impossible to imagine It has got to be one of the most absolutely fascinating tales to ever prove that the truth is stranger than fiction Nevertheless it throbs with a sobering and relentless sense of calling and purpose that is truly inspiring the late Dr Ralph D Winter Founder U S Center for World Mission I wept laughed and was stirred by this book I love a good story and this is a really good one You won't be able to put it down Floyd McClung author of *Living on the Devil's Doorstep* *Focus On: 100 Most Popular English Male Comedians* Wikipedia contributors, **Luther League Review**, 1920 **The Good, the Bad and the Ugly** Richard Taylor, 2024-08-01 The book takes 45 chart toppers and writes their story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how *Release Me* by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of *Grandad* by Clive Dunn from 1971 and a light novelty No 1 song was also the bass player on Lou Reed's hit single *Walk On The Wildside* a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when *Top Of The Pops* was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children's songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example *Mr Blobby* by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic *Love Is All Around* from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I

try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book **The Leisure Hour** ,1881 **Billboard** ,1972-12-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends My Holiday Hookup Road Trip Sara Whitney,2022-12-16 Our one night stand was a disaster Now we re stuck together on a cross country trek to make it home for Christmas My night with the sexy bartender was mind blowingly hot until it all went spectacularly wrong But at least we ll never see each other again right Wrong So very wrong When a blizzard shuts down all air travel guess who ends up fighting with me over the last rental car on the lot Looks like we re in for the world s most awkward road trip to make it home in time for Christmas But the more time we spend together in this shoebox sized car the more I start to think my first instinct was right this girl could be the one And I m going to convince her of that even if it takes a holiday miracle My Holiday Hookup Road Trip is a hot standalone Christmas novella that s sweet as a candy cane and spicy as fireball whiskey in your hot chocolate Treat yourself to a laugh out loud romance this holiday
