There Is A Generation Kids Of The Greatest Generation:

Reagan's "Boys" and the Children of the Greatest Generation Jonathan M. Bullinger, 2019-10-10 During the 1980s and 1990s aging Baby Boomer parents constructed a particular type of memory as they attempted to laud their own parents wartime accomplishments with the label The Greatest Generation This book is the first to tell the entire story of this particular type of U S World War II memory begun by U S President Ronald Reagan in 1984 and promoted the same year by newscaster Tom Brokaw The story continues in 1994 when it was given academic credence by historian Stephen E Ambrose a sensory realism and ideal American character by director Steven Spielberg and actor Tom Hanks sloganized by Tom Brokaw in 1998 and later interpreted in light of 9 11 and new wars *The Greatest Generation Speaks* Tom Brokaw, 2000-03-08 NEW YORK TIMES BESTSELLER A heartwarming gift for the holidays a powerful selection of the letters Tom Brokaw received in response to his towering 1 bestseller *The Greatest Generation* When I wrote about the men and women who came out of the Depression who won great victories and made lasting sacrifices in World War II and then returned home to begin building the world we have today the people I called the Greatest Generation it was my way of saying thank you But I was not prepared for the avalanche of letters and responses touched off by that book I had written a book about America and now America was writing back Tom Brokaw In the phenomenal bestseller *The Greatest Generation* Tom Brokaw paid affecting tribute to those who gave the world so much and who left an enduring legacy of courage and conviction *The Greatest Generation Speaks* collects the vast outpouring of letters Brokaw received from men and women eager to share their intensely personal stories of a momentous time in America s history Some letters tell of the front during the war others recall loved ones in harm s way in distant places They offer first hand accounts of battles poignant reflections on loneliness exuberant expressions of love and somber feelings of loss As Brokaw notes If we are to heed the past to prepare for the future we should listen to these quiet voices of a generation that speaks to us of duty and honor sacrifice and accomplishment I hope more of their stories will be preserved and cherished as reminders of all that we owe them and all that we can learn from them **The Fall of Moral America** Joyce Whitehead, 2010-08-12 **Becoming the Next Great Generation** Jonathan Catherman, 2020-03-17 Today s young people stand on the brink of unprecedented opportunity and influence The problem is many feel misunderstood and dismissed by older generations Frustrated they seek answers for how they can effectively influence change in the world when the gaps between generations grow wider and our shared experiences fewer They want to make a difference and they remain open to influence from adults who are willing to help them learn what they ll need to succeed With energy and unique expertise Jonathan Catherman assures the next generation that their influence will come with practice Through relevant examples and clear applications he shows youth from high school into emerging adulthood how to build bridges between generations practice stewardship before leadership transform raw talents into valued strengths and live with purpose By doing so they can make a difference do even better than their

parents and become the next great generation

Creating and Failing the 9/11 Generation Matthew

Warshauer, 2024-07-12 Through a chronological and thematic approach this book examines the terrorist attacks on September 11 2001 and the effect on what President George W Bush recognized as the 9 11 Generation By providing cultural and generational context to 9 11 and its impact on the U S this book is the first study to ensure that the voices of this young generation are put at the forefront of analysis Creating and Failing the 9 11 Generation answers what happened and why but more importantly it reveals the importance of broader themes and ideas such as foreign policy security patriotism the U S military and American democracy The final chapter 9 11 and the World places the events in America on a global scale and demonstrates how 9 11 has remained and will remain significant to understanding how different places and cultures interact with each other in the modern world Creating and Failing the 9 11 Generation is useful for all students who study U S foreign relations terrorism warfare memory studies and the history of modern America Guiding the Next Great Generation

Jonathan Catherman, 2020-03-17 It's cliché to say today's adults hope the best for the next generation yet fear the worst As the gap between generations widens and our shared experiences dwindle adults find it increasingly difficult to connect with and remain relevant to today's young people So the question is what values can we pass on that will help them to become the next great generation And how do we communicate those values effectively In this paradigm shifting book Jonathan Catherman shares with adults raised in the 1900s a fresh look at guiding 21st century youth to become confident and capable adults With relevant research and real world examples Catherman shows us the benefits of practicing and teaching four principles that will unite and empower us all build bridges between generations transform raw talent into valued strengths practice stewardship before leadership live with purpose Whether the emerging generation knows it or not they need you Their greatness tomorrow begins with your guidance today **Kids These Days** Karen Sternheimer, 2006-05-23 Kids

snatched from their bedrooms shot at in school fatter than ever prone to risk taking and cruelty is childhood today as bad as the news accounts would have us believe Is this generation headed for disaster Kids These Days Facts and Fictions About Today's Youth critically examines the hottest news stories of the past few years to assess whether the news is really as bad as it sounds For instance is kidnapping by strangers really a bigger threat now than in the past Are disputes at school now settled with guns instead of fists And are kids especially girls becoming bigger bullies than ever before Kids These Days looks at the stories that made headlines and goes deeper to explore overall trends and statistics to compare the hype to reality The truth is kids today do face unique obstacles and challenges but their situation isn't nearly as dire as the compelling news accounts would have us believe Our nation's youth have been targeted as a problem population to absolve adult responsibility for creating the often dangerous and difficult conditions many young people must endure Kids These Days will give the reader pause and perspective to better understand the realities of the first generation to come of age in the twenty first century **2 Chairs** Bob Beaudine, 2025-04-08 This USA Today national bestseller helps you live a life guided by your

relationship with God by asking three critical questions In this world you will have trouble Count on it It might be something small or something big but you know you don't have an answer You've come to a realization there is a limit to what you can do alone For such times as these two Chairs asks three vital questions Does God know your situation Is it too hard for Him to handle Does He have a good plan for you Following these questions Bob Beaudine offers seven practical steps to walk courageously faithfully and cheerfully through your trouble whether it is a minor issue or a major crisis The greatest ideas are the simplest This book offers a great yet simple invitation I hope you will accept it two Chairs moments can change a life Max Lucado New York Times bestselling author of What Happens Next A Traveler's Guide Through the End of This Age

The Greater Generation Leonard Steinhorn, 2025-10-16 The Greatest Generation gets credit for winning World War II and braving the Depression But the Baby Boomers All they get credit for is knowing how to order a tall skim double latte What really is the true legacy of the Boomers Summoning the amazing sea changes they've made in American culture this controversial book recasts the much maligned Boomers as a Greater Generation with a lasting legacy of tolerance and equality for all Farewell Donna Reed For women the Baby Boom era has been one of breathtaking change in a single generation American women have effected one of the greatest social metamorphoses in recorded history What women are able to do today would have been unimaginable four or five decades ago at best the stuff of utopian fantasy or science fiction Not Only Women The egalitarian norms of the Baby Boom have deeply changed men and will continue to do so for generations to come Diversity as a Moral Value For too long America denied blacks gays and other minorities their dignity and rights but in the Boomer era we have enlarged the melting pot to include those once scorned and excluded Boomers have led a culture war to upend the rigid social structure of the Fifties and challenge centuries of entrenched norms and attitudes about race ethnicity religion and sexuality The Greening of America Under Boomers environmental protection has become a powerful new norm in American society No longer do we tolerate toxic run offs and progress at any cost A Freer More Open Society Personal freedom tolerance openness transparency and equality these are the values of the Baby Boom era and we live them daily at home work school and in our many relationships The old ways the prejudice narrowmindedness restrictive sex roles smoke filled rooms double standards rigid hierarchies are going going gone thanks to Baby Boomers The media have it wrong You don't need to fight a war to be a great generation America today is far more open inclusive and equal than at any time in our history and Boomers are the foot soldiers who made it happen The Greater Generation tells their remarkable story The Greater Generation is a timely passionate defense of the Baby Boom generation Leonard Steinhorn reminds us of the essential liberal spirit that defined the Boomers and how they changed our country for the better In doing so he illuminates the critical issues that continue to challenge them and their children Joe Conason bestselling author of Big Lies and The Hunting of the President The Baby Boom generation changed the heart and soul of America Leonard Steinhorn's The Greater Generation shows us how much better off we all are as a result Richard Florida author of The Rise of the
