There Is More To Being Catholic:

Waking Up Catholic Chad R. Torgerson, 2013 Are you new to Catholicism and become a recent Catholic convert Did you grow up Catholic and return as a Catholic revert Are you interested in becoming Catholic for the first time If you want to learn more about basic Catholic beliefs Waking Up Catholic A Guide to Catholic Beliefs for Converts Reverts and Anyone Becoming Catholic is the book for you The depth of Catholic theology is one of its greatest beauties but understanding it can be one of its greatest challenges You have questions Waking Up Catholic has answers Learn about How does Catholic Tradition fit in with Scripture Why do we have a pope Do Catholics really worship Mary Why do Catholics pray to saints Is Holy Communion just a symbol of Christ What is the purpose of Confession Do repetitious Catholic prayers really work And more Waking Up Catholic answers these questions and more from the perspective of someone who converted to Catholicism himself Waking Up Catholic may be the first Catholic book you've ever read but after you're done it won't be the last

I Like Being Catholic Michael Leach, Therese J. Borchard, 2005-04-19 A celebration of the treasured traditions rituals and stories that run through the bloodstream of American Catholics For Andrew Greeley it is the reverence of Christmas night and the exultation of Easter morn Martin Scorsese like many others remains grateful for the nuns who rapped his knuckles but built his self esteem Mary Gordon recalls the sense of lightness that follows confession Vince Lombardi the strength he derived from Mass and Christopher Buckley the role St Thomas More plays in his writing I Like Being Catholic brings together the memories thought and hopes of famous Catholics and ordinary parishioners lapsed and good enough Catholics and those who have devoted their lives to the faith It captures their abiding ties to and deep affection for the Church and offers the wide ranging sometimes surprising views on the good things that come with being Catholic This is not a book of theology It is about the beauty at the heart of Catholicism It is about what Teilhard de Chardin called the chosen part of things It is about family and community the value of Catholic education the

significance of sacraments and milestones and the cultural impact of Catholicism there are lists of the ten best Catholic novels the ten best Catholic movies ten Catholic heroes of the twentieth century ten good reasons to raise your kids Catholic fifty things Catholics like best about being Catholic and much more I Like Being Catholic is a book for all those who have ever called themselves Catholic It is a book of warmth affection humor and love *Hearings* United States. Congress Senate,1965 *Brownson's Quarterly Review* Orestes Augustus Brownson,1854 *Chicago Catholics and the Struggles within Their Church* Andrew M. Greeley,2011-12-31 What might one expect to learn from a probability sample study of the Archdiocese of Chicago Can one form a national portrait of Catholics in the United States from data about Chicago Certainly Chicago is unique in its judgments about its clergy As the eminent Catholic sociologist Andrew M Greeley argues it is this very difference that makes rigorous comparisons between Chicago Catholics and other Catholic subpopulations possible He suggests that history and geography provide a basis for understanding the development of the Catholic Church not just in this specific area but also in the entire United States The Catholic Archdiocese of Chicago it composed of two counties Lake and Cook At the same time the Catholic population has been pushed up against the boundary of DuPage County by racial change in the city so that much of the west and south side Catholic population of the city has moved into the southern and western suburbs In this research area half of the Catholics have attended college and half of those have attended graduate school Thus the conventional image of Chicago as a mix of ethnic immigrant neighborhoods has to be modified although there are still many new immigrants attending special immigrant parishes Greeley argues that the official church in Chicago and by inference elsewhere has not recognized the community structures that permeate the neighborhoods that it does not grasp the religious stories that shape its peoples identity and it does not understand the intense if selective loyalty of the archdiocese to its leadership As part of this argument Greeley includes transcriptions of in depth interviews with former Catholics This study provides a fascinating window into the world of Catholicism in twenty first century urban America
