As the population grows and technology advances, the world gets smaller and smaller. Earth is no longer a vast metropolis; today it is a tiny village. As the Earth shrinks, confusion grows. We are surrounded by what others say and do. We are told what to feel, what to think, and what to say; our identities disappear until identity loses meaning. But without identity, our lives also lose meaning. Outgrowing Fear gives you that identity back. Told as narrative, a story about many becomes a story about you. Why are you the way you are? Amidst the layers of your personality, the answers exist. This is a step-by-step journey to finally realizing your true self without fear, without doubt, and without disharmony. There is nothing more terrifying than looking at ourselves objectively, and nothing more necessary. The characters in this book are seeking identity through religion and spirituality. Through their difficult searches, you too may find your answers. It is time to let the real discussion begin within you. At last, face the unknown courageously and achieve inner and outer harmony through the discovery of your identity. **Congressional Record** United States, Congress, 2012.

SCENARIOS 1 & 2--Dare to Be Different Nicole O'Dell, 2011-04-01. Decisions, decisions! How is a girl supposed to choose? Lessons of right and wrong are put to the test in the Scenarios series, where you can test your decision-making abilities in an eye-opening but safe way. Each book follows a character up to the point where she has to make an important life-changing decision; then it's your turn to choose. Will your choices lead to a happy ending? **Some Things You Always Wanted to Know about the Bible But Were Afraid to Ask!** J. Combs, 2004-02-09. Some Things You Always Wanted to Know about the Bible but were Afraid to Ask was written for those searching for the most basic answers to Christianity: why Christians follow Christ and the manner in which Christians are commanded to follow Christ. The world is full of denominations that profess to be Christian yet ignore or completely distort the teachings of Christ, His father, and His disciples. If one chooses to be a member of the Baptist church, then he or she must learn how the Baptist church does things. If one decides to follow the teachings of Catholicism, then he or she must learn how the Catholic Church conducts her business and worship. And if one chooses to follow Christ, then one must understand what Christ and His disciples had to say about sin, following Christ, and His Church. One cannot be a Baptist and a Christian at the same time, simply because the Baptist church does not completely follow the teachings of Christ. There is no such thing as a Catholic Christian because the Catholic Church does not completely follow the teachings of Christ. Nearly all denominations subscribe to at least some of the teachings of Christ, but many of them are discarded and never make it to the pulpit on Sunday morning.
