Think Theatre Felner:

THINK Theatre Mira Felner, 2013 **Theatre Symposium, Vol. 23** David S. Thompson, 2015-10-15 The essays in volume 23 of Theatre Symposium offer a rich exploration of depictions of youth in works of theatre as well as the role youth play in the creation and performance of drama **Teaching Writing Through Theatre** Kelly I. Aliano, Dongshin Chang, 2024-11-09 This volume presents an introspective study of writing pedagogy explored through the lens of theatre and performance The chapters explore assessment and issues related to student engagement in both in person and online learning spaces and consider aspects such as class design environment activities and curriculum The authors draw on educational theory and inquiry based pedagogy as well as their own experiences to lay out a comprehensive blueprint for teaching in a student centered classroom **Immersive Storytelling and Spectatorship in Theatre, Museums, and Video Games** Kelly I. Aliano, 2025-02-07 Immersive Storytelling and Spectatorship in Theatre Museums and Video Games is the first volume to explore immersion as it is experienced in all three of these storytelling forms the theatre museums and historic sites and video games It theorizes what it means for a work to be called immersive and how immersion impacts audience experience in each of these modes The presentation of story is deepened when it involves the spectator in an immersive way Author Kelly I Aliano concentrates on the central idea that the use of immersion in each medium allows the story being told to feel present for the spectator It puts them at the center of the experience making its events for and about them Throughout the book discusses how immersion is employed to make narrative feel more resonant and relevant for the audience Analyzing the impact of offering a first hand experience of story events this book looks at how immersive storytelling can highlight the ways in which we can interact with and shape our understandings of ourselves and our society as well as our histories and identities Ideal for students scholars and researchers of immersive theatre spectatorship museum studies and video game studies this is an innovative study into the power of immersive storytelling across three interactive mediums Mime into Physical Theatre: A UK Cultural History 1970-2000 Mark Evans, Simon Murray, 2023-04-03 This is the first book to investigate the social political cultural artistic and economic forces which created conditions for the rise success and decline of mime and physical theatre in the United Kingdom from the 1970s to 2000 Unpicking the various routes through which mime and physical theatre emerged into wider prominence this book outlines key thematic strands within this history of practice The book blends historical description and reflective analysis It aims to juxtapose the various histories at play within this field giving critical attention to the voices of the artists funders and venue managers who were there at the time particularly recognising the diversity of practitioners and the network of relationships that supported their work Drawing upon over 40 original interviews including amongst others Joseph Seelig Helen Lannaghan Steven Berkoff Julian Chagrin Annabel Arden Nola Rae Denise Wong David Glass Justin Case and Toby Sedgwick the book offers unique testimonies and memories from key figures active during these three decades This wide ranging account of the history social

context key moments and practical methods gives an unparalleled chronicle of one of the UK's most vital and pioneering forms of theatre. From undergraduate students to established scholars this is a comprehensive account for anyone studying contemporary theatre, theatre history, mime, physical theatre and the structures that support the performing arts in the United Kingdom.

Jacques Lecoq Simon Murray, 2017-12-14 This volume offers a concise guide to the teaching and philosophy of one of the most significant figures in twentieth century actor training. Jacques Lecoq's influence on the theatre of the latter half of the twentieth century cannot be overestimated. Now reissued, Jacques Lecoq is the first book to combine an historical introduction to his life and the context in which he worked, an analysis of his teaching methods and principles of body work, movement, creativity and contemporary theatre, detailed studies of the work of Theatre de Complicite and Mummenschanz, practical exercises demonstrating Lecoq's distinctive approach to actor training.

The Routledge Companion to Performance Practitioners Franc Chamberlain, Bernadette Sweeney, 2020-08-16 The Routledge Companion to Performance Practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular Routledge Performance Practitioners series of guidebooks. Each of the chapters is written by an expert on a particular figure from Stanislavsky and Brecht to Laban and Decroux and places their work in its social and historical context. Summaries and analyses of their key productions indicate how each practitioner's theoretical approaches to performance and the performer were manifested in practice. All 22 practitioners from the original series are represented with this volume covering those born after 1915. This is the definitive first step for students, scholars and practitioners hoping to acquaint themselves with the leading names in performance or deepen their knowledge of these seminal figures.

The World of Theatre Mira Felner, Claudia Orenstein, 2006 Focus on diversity and globalism integrating coverage of multicultural, international and experimental theatre throughout. Back cover.

Jacques Lecoq and the British Theatre Franc Chamberlain, Ralph Yarrow, 2013-07-04 Jacques Lecoq and the British Theatre brings together the first collection of essays in English to focus on Lecoq's school of mime and physical theatre. For four decades at his school in Paris, Jacques Lecoq trained performers from all over the world and effected a quiet evolution in the theatre. The work of such highly successful Lecoq graduates as Theatre de Complicite, The Winter's Tale with the Royal Shakespeare Company and The Visit, The Street of Crocodiles and The Causcasian Chalk Circle with the Royal National Theatre has brought Lecoq's work to the attention of mainstream critics and audiences in Britain. Yet Complicite is just the tip of the iceberg. The contributors to this volume, most of them engaged in applying Lecoq's work, chart some of the diverse ways in which it has had an impact on our conceptions of mime, physical theatre, actor training, devising, street theatre and interculturalism. This lively even provocative collection of essays focuses academic debate and raises awareness of the impact of Lecoq's work in Britain today.

Embodied Learning in Educational Theatre Nancy Smithner, 2025-04-29 This book explores embodied teaching practices through applied and physical theatre, drawing extensively on the author's rich experience teaching in

diverse urban environments including schools colleges and prison settings It presents a groundbreaking conceptualization of embodied practice aimed at fostering personal and social growth through educational theatre Each chapter delves into theories of social transformation supported by qualitative data from student reflections to provide both theoretical and practical insights These insights illustrate how physicalized pedagogy can be effectively used to engage students with socially transformative ideas and identities It also emphasizes the significant role of the facilitator in this process highlighting how they can create an environment that fosters ethical and multicultural awareness in both formal educational settings such as classrooms and informal settings like community workshops By promoting an ethos of inclusivity and ethical consideration it argues that facilitators can help students navigate and engage with complex social issues through the medium of theatre An accessible and compelling text it aims to inspire educators to adopt innovative methods that promote deeper engagement and understanding among students
