Seeking and Resisting Compliance Steven R Wilson, 2002-07-10 Why do individuals say what they do during everyday face to face influence interactions How do people seek or resist compliance in different relational institutional and cultural contexts Linking theory

and research to salient real life examples and recent academic studies Steven Wilson introduces the reader to the theories systems of message analysis complexities and nuances of interpersonal persuasion Seeking and Resisting Compliance is the only single authored interdisciplinary text to explore compliance gaining and resistance from a message production perspective This incisive clearly written text is ideal for students scholars and anyone interested in interpersonal influence and persuasion in everyday interactions Recommended for graduate and upper level undergraduate courses in persuasion as well as special topics courses in interpersonal influence social psychology and sociolinguistics Features of this text Ground breaking specific focus on message production as opposed to only message effects Multiple theoretical perspectives are presented and the vast body of research from communication psychology linguistics philosophy and related fields is reviewed Student friendly pedagogy such as definitions examples and sections describing common assumptions about various theories engage students and highlight important concepts Steven Wilson currently is an Associate Professor and Director of Graduate Studies in the Department of Communication at Purdue University He is one of five associate editors for the interdisciplinary journal Personal Relationships and past chair of the International Communication Association s Interpersonal Communication division His research and teaching focus on interpersonal influence and message production in a variety of contexts from parent child interaction in abusive families to intercultural business negotiations He has published nearly forty articles and book chapters on these topics Transcultural Realities Virginia H. Milhouse, Molefi Kete Asante, Peter O. Nwosu, 2001-07-24 Transcultural Realities is an important collection of essays written by an outstanding cast of critical scholars who discuss the importance of transculture in interdisciplinary contexts The primary goal of the contributors is to help the reader to understand that a state of community or harmony cannot be achieved in the world until we are all ready to accept different cultural forms norms and orientations In this book transculture is defined as a form of culture created not from within separate spheres but in the holistic forms of diverse cultures It is based on the principle that a single culture in and of itself is incomplete and requires interaction and dialogue with other cultures Transcultural Realities is divided into five parts Transcultural issues in international and cross cultural contexts Historical and religious struggles within and between nations Socially constructed racial identities and their consequences for transculturalism in the United States The transformative effects of sojourning in diverse cultural environments The fundamentals of transcultural research Editors Virginia H Milhouse Molefi Kete Asante and Peter O Nwosu set out to meet three specific needs First that the book s interdisciplinary approach to theory and practice in cross cultural relations will make it an important book for several fields of study including intercultural and interpersonal communication international relations human relations psychology anthropology philosophy and sociology Second that the book will be a reference tool for scholars of transcultural research providing up to date information on cross cultural relations that are transcultural in nature And finally through the use of research is critical to a fuller understanding of cross cultural relations in a transcultural world Public Relations in Global

Cultural Contexts Nilanjana Bardhan, C. Kay Weaver, 2011-01-31 While public relations practice has become increasingly globalized scholars are still behind in theorizing about the intersections of culture communication and power at this level of practice This volume emphasizes theories and concepts that highlight global interconnectedness through a range of interpretative and critical approaches to understanding the global significance and impacts of public relations Providing a critical examination of public relations contribution to globalization and international power relations the chapters included here explore alternative paradigms most notably interpretive and critical perspectives informed by qualitative research The volume encourages alternative ways of knowing that overcome the shortcomings of positivist epistemologies The editors include multiple paradigmatic approaches for a more complex understanding of the subject matter making a valuable contribution toward widening the philosophical scope of public relations scholarship This book will serve well as a core text in classes in international public relations global public relations and advanced strategic public relations Students as well as practitioners of public relations will benefit from reading the perspectives included here
