The Iron Relic I The Crossing:

The Iron Relic Book I Bobby Hundley,James Stevenson,Kyle Trott,2014-12-07 The Iron Relic Book I The Crossing follows pediatric oncologist Adam Calhoun as he searches for the truth behind a religious relic believed to possess the healing powers of Christ In this fast paced psychological thriller betrayal and jealousy turn allies into enemies as the true power of the pendant and the iron relic it protects portends a second coming On his deathbed billionaire philanthropist Henry Calhoun entrusts a silver crucifix pendant to his dearly beloved great grandson Adam and entreats him to keep his possession of it a secret For he says in the small chamber at the back of it rests the broken tip from one of the Holy Nails that pierced Christ s flesh The legacy soon becomes a nightmare bequest as mystery murder and miracles ensue with shadowy figures and thugs for hire crossing paths with Vatican emissaries and forbidden archaeological excavations As his family implodes Doctor Adam Calhoun fights not only for his own life but that of those he loves in this exciting and inspirational thriller of faith miracles and the quest for eternal life

The Iron Relic Book II Bobby Hundley,James Stevenson,2016-08-29 Centering on Doctor Adam Calhoun his possession of the iron relic and the miraculous yet dangerous world he has been thrust into because of it The Iron Relic Book II Revelations is the thrilling conclusion to The Iron Relic Book I The Crossing Follow Adam as he and Rose Powell travel to Ireland to fulfill the dying wish of his great grandfather Henry Calhoun to find the mysterious Alroy Byrne While abroad the doctors are hunted by a covert Russian organization long thought dismantled intent on seizing the relic at all costs Meanwhile back in Ohio Adam s aunt Helen seeks to team up with the honest detective Hiro Tarsus and bring to justice those responsible for the deaths of her son and brother while pursuing a historical lead aimed at revealing the antichrist As Adam researches the origins of his great grandfather we are taken back in time to 1915 where we follow a young Henry Calhoun fighting in the trenches of World War I and discovering miraculous treasures Secret societies clandestine government agencies dark family secrets World War I battles archeological treasures forbidden excavations What shocking revelations will be unearthed as we learn that the iron relic wasn t the only incredible treasure Henry Calhoun dug up

Fear and Faith in Paradise Phil Karber,2012 From life along the Tigris River in the 1970s to the ongoing Arab Spring uprisings Phil Karber has witnessed decades of change throughout the Middle East *Fear and Faith in Paradise* draws on his wealth of experience to sketch a timely and compelling portrait of the region throughout history Going beyond the endless images of terrorism and war he challenges pervasive stereotypes of Muslims and delves into the living history and cultures of Arabs Turks Kurds Persians Jews Tunisians Moroccans Armenians and others Seamlessly moving between past and present Karber skillfully develops two overarching themes How America s footprint can be shifted from a military to a humanitarian emphasis and how fear is used as a cudgel by today s monotheistic leaders to sacrifice the faithful Whether Christian Muslim or Jewish they all invoke their own vision of paradise often as incentive in hopeless conflicts that seem doomed to be repeated Karber s down to earth writing vividly conveys the region s charm and

beauty against a backdrop of power struggles among competing faiths nationalisms and outside forces *The Iron Oath*
Richard Benipayo, 2024-11-01 In a time when ancient powers threaten to reshape the world three unlikely heroes emerge to protect the balance that has kept chaos at bay for centuries The Iron Oath tells the story of Mathieu a young man chosen by the mysterious Heart of Valdorin a powerful relic forged by the founders of the Iron Oath Alongside Leah a fierce warrior and Tomas a skilled protector Mathieu embarks on a perilous journey to Astriel s Hold the last stronghold of those who once safeguarded the power that shaped kingdoms But Astriel s Hold is not the safe haven they hoped for The fortress is under siege by dark forces determined to seize the Heart s power for their own and the defenders numbers are dwindling With danger pressing in from all sides Mathieu must learn to harness the Heart s energy uniting its power with his own will and courage Amidst battles fought in the shadows of towering cliffs and alliances forged in the heat of desperate combat they face an enemy who will stop at nothing to possess the Heart s magic Filled with high stakes action epic battles and powerful moments of sacrifice The Iron Oath is a tale of courage unity and the enduring power of hope As the trio fights to protect Astriel s Hold and the legacy of the Iron Oath they must discover if they have what it takes to keep the world from falling into darkness Their journey will test their spirits bond them as allies and turn them into the symbols of hope they never imagined themselves to be In the end they must answer one question how far will they go to protect the future even when the past comes back to haunt them Perfect for fans of high fantasy The Iron Oath blends adventure rich lore and a relentless battle between light and dark into an unforgettable story of heroes rising against the odds Architecture for the Shroud John Beldon Scott, 2003-03 The famed linen cloth preserved in Turin Cathedral has provoked pious devotion scientific scrutiny and morbid curiosity Imprinted with an image many faithful have traditionally believed to be that of the crucified Christ painted in his own blood the Shroud remains an object of intense debate and notoriety yet today In this amply illustrated volume John Beldon Scott traces the history of the unique relic focusing especially on the black marble and gilt bronze structure Guarino Guarini designed to house and exhibit it A key Baroque monument the chapel comprises many unusual architectural features which Scott identifies and explains particularly how the chapel s unprecedented geometry and bizarre imagery convey to the viewer the supernatural powers of the object enshrined there Drawing on early plans and documents he demonstrates how the architect s design mirrors the Shroud s strange history as well as political aspirations of its owners the Dukes of Savoy Exhibiting it ritually the Savoy prized their relic with its godly vestige as a means to link their dynasty with divine purposes Guarini too promoted this end by fashioning an illusionary world and sacred space that positioned the duke visually so that he appeared close to the Shroud during its ceremonial display Finally Scott describes how the additional need for an outdoor stage for the public showing of the relic to the thousands who came to Turin to see it also helped shape the urban plan of the city and its transformation into the Savoyard capital Exploring the mystique of this enigmatic relic and investigating its architectural and urban history for the first time *Architecture for the Shroud* will appeal to anyone curious about the textile

its display and the architectural settings designed to enhance its veneration and boost the political agenda of the ruling family

The Iron Loom Evelyn Townsend, 2025-01-16 In the smog wreathed metropolis of Aethelburg where clockwork behemoths claw at the sky and the arcane science of their intertwines with Victorian ingenuity time is not a river but a tapestry woven on the colossal looms of the Guild of Temporal Artisans These machines powered by a volatile blend of steam and their craft not only exquisite silks but the very threads of reality When Master Weaver Jorven Clyth detects a dissonance in the loom's rhythmic clang a tremor in the etheric flow his warnings are dismissed by the ambitious Guild Masters But Jorven's fears are realized when an experimental loom fractures Aethelburg's timeline unleashing a torrent of temporal anomalies Streets twist into impossible loops citizens vanish into echoes and whispers of the past and future bleed into the present Convinced a darker force is at play Jorven seeks the aid of Ilyra Vanthe a brilliant but ostracized historian whose heretical theories speak of a First Etheric Age and a far older more potent technology Their investigation plunges them into Aethelburg's shadowy underbelly where whispers of conspiracy mingle with the hiss of illicit etheric stills They navigate a web of deceit encountering shadowy figures within the Guild ruthless industrialists profiting from the city's instability and the enigmatic clockwork mechanic Kaelen Rhys whose allegiances shift like the fractured timeline itself As Jorven and Ilyra unravel a conspiracy that stretches back generations they discover the looms are not tools of progress but instruments of control wielded by the Chronomasters a hidden faction within the Guild who manipulate time to maintain their power The rift widens twisting not just the city but the very minds of its inhabitants Temporal echoes ghostly remnants of past selves whisper warnings adding another layer of complexity to their desperate search for answers They uncover a devastating truth the Chronomasters have been altering individual timelines weaving their influence into the very fabric of personal histories To mend the fractured timeline Jorven and Ilyra must confront the possibility that their own identities their memories are interwoven into the fraying tapestry of time Saving Aethelburg may require them to unravel themselves to sacrifice their personal histories for the city's future But the threads of time once broken can never be truly mended only rewoven into a new potentially more perilous design As the city teeters on the brink of collapse Jorven must choose uphold the established order or embrace the chaotic potential of a future unwritten The fate of Aethelburg and perhaps time itself hangs in the balance

Beyond Pilgrim Souvenirs and Secular Badges

Sarah Blick, 2007-07-08 Brian Spencer former Keeper of the Museum of London was a major scholar of medieval popular culture He almost single handedly established the study of pilgrim souvenirs and secular badges He defined what these objects were and ascertained their function manufacture style and iconography with a careful use of primary documents and intricate stylistic analysis He identified every major souvenir and badge discovered in Great Britain during the last few decades He also made prominent contributions to the field of seal matrices gaming pieces and horse paraphernalia What bound all of these interests together

was his understanding that the study of these artefacts could shed light on the beliefs and practices of a large number of people This is reflected in the frequency with which his work is cited This volume is a collection of essays written by those who worked with Brian directly and those with whom he corresponded *The Art of Heraldry* Arthur Charles

Steffen Mau,2023-01-12 It is commonly thought that thanks to globalization nation state borders are becoming increasingly porous Steffen Mau shows that this view is misleading borders are not getting more permeable today but rather are being turned into powerful sorting machines Supported by digitalization they have been upgraded to smart borders and border control has expanded spatially on a massive scale Mau shows how the new sorting machines create mobility and immobility at the same time for some travellers borders open readily but for others they are closed more firmly than ever While a small circle of privileged people can travel almost anywhere today the vast majority of the world s population continues to be systematically excluded Nowhere is the Janus nature of globalization more evident than at the borders of the 21st century
