The Island Of Macbeth:

The Island of Macbeth Mike Kostensky, 2014-12-05 Mitch started his writing career with big dreams but he's settled into an empty life of one night stands late nights at the bar and failed ambitions His latest assignment seems like a dead end he's been assigned to Macbeth a tight knit island community off the coast of Massachusetts where the quaint down home values of Norman Rockwell and Mayberry still hold sway But this little piece of paradise isn't immune to the modern world and Mitch finds himself caught up in the unthinkable Macbeth lacking support from the mainland yet not allowed to govern itself secedes from Massachusetts The consequences of this decision are far reaching as a small community shakes the foundation of the United States facing a bloody battle they would never have chosen and their spokesman becomes Mitch the journalist who learns that he is not the man he thought he was as he becomes more enmeshed in the life of the islanders and discovers what love really is A modern day epic about the ways in which war impacts real people The Island of Macbeth is a thought provoking inventive novel that will challenge and entertain you *Macbeth the King* Nigel Tranter, 2012-09-13 Across a huge colourful canvas ranging from the wilds of Scotland to Norway Denmark and Rome here is the story of the real MacBeth Set aside Shakespeare's portrait read instead of his struggle to make and save a united Scotland In this impressively researched and vivid portrayal Tranter belies the popular perception of a savage murderous ambitious king Instead he tells of MacBeth's struggle to make and save a united Scotland his devotion to his great love the young Queen Gruoch the humane laws they fought for the great battle they were forced to fight And the terrible price they paid
