The Israeli Lobby Report:

THE ISRAEL LOBBY AND U. S. FOREIGN POLICY N. Nourizadeh, 2014-02-13 This book is about politics and the close relation between Israel and US foreign policy The Israel Lobby and U.S. Foreign Policy John J. Mearsheimer, Stephen M. Walt, 2007-09-04 Originally published in 2007 The Israel Lobby and U S Foreign Policy by John Mearsheimer of the University of Chicago and Stephen M Walt of Harvard s John F Kennedy School of Government provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America the impact of the Israel lobby on U S foreign policy A work of major importance it remains as relevant today as it was in the immediate aftermath of the Israel Lebanon war of 2006 Mearsheimer and Walt describe in clear and bold terms the remarkable level of material and diplomatic support that the United States provides to Israel and argues that this support cannot be fully explained on either strategic or moral grounds This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U S foreign policy in a pro Israel direction They provocatively contend that the lobby has a far reaching impact on America s posture throughout the Middle East in Iraq Iran Lebanon and toward the Israeli Palestinian conflict and the policies it has encouraged are in neither America s national interest nor Israel s long term interest The lobby s influence also affects America s relationship with important allies and increases dangers that all states face from global jihadist terror The publication of The Israel Lobby and U S Foreign Policy led to a sea change in how the U S Israel relationship was discussed and continues to be one of the most talked about books in foreign policy **U.S. Foreign Policy Discourse and the Israel Lobby** Keith Peter Kiely, 2017-08-01 This book seeks to debunk the popular myth of an all powerful pro Israel lobby Here Kiely demonstrates how discourses surrounding American Identity and US foreign policy towards the Israeli Palestinian conflict which has deep roots in American historicity have constructed an understanding of the conflict which is inherently more susceptible to the Israeli narrative Kiely argues that the so called power of what other researchers such as Mearsheimer and Walt 2006 2007 call The Israel Lobby are limited by these discourses It is the author s contention that groups such as The American Israel Public Affairs Committee AIPAC serve to amplify and reproduce existing representations within these discourses which align the United States and Israel in terms of cultural historical and political values while simultaneously reinforcing dominant representations of the Palestinian Other **Israel Lobby in the United States Handbook Volume 1 Strategic Information, Organization, Regulations, Contacts** IBP, Inc., 2019-06-02 2011 Updated Reprint Updated Annually Jewish Lobby in the United States Handbook Organization Operations Performance Transforming America's Israel Lobby Dan Fleshler, 2009 Proposes an alternative pro Israel lobby that liberals can support *Reporting Palestine-Israel in British Newspapers* Nadia R. Sirhan, 2021-08-28 This book examines the portrayal of the Palestinian Israeli conflict by looking at the language used in its reporting and how this can in turn influence public opinion The book explores how language use helps frame an event to elicit a particular interpretation from the reader and how this

can be manipulated to introduce bias Sirhan begins the book by examining the history of the conflict and the many persistent myths that surround it She analyses how five events in the conflict two in which the Palestinians are victims two in which the Israelis are victims and Operation Cast Lead are reported in five British newspapers The Daily Mail The Guardian The Independent The Daily Telegraph and The Times By looking at these events across a range of newspapers the book investigates differences in the way that the media report each side before exploring what factors motivate these differences including issues of bias censorship lobbying and propaganda Hearings, Reports and Prints of the Senate Committee on Finance United States. Congress. Senate. Committee on Finance,1974 Hearings, Reports and Prints of the Senate Committee on Foreign Relations United States. Congress. Senate. Committee on Foreign Relations,1974 *The Arab Lobby and US Foreign Policy* Khalil Marrar,2008-10-27 The US foreign policy stance on Israel Palestine has shifted considerably in recent years from a position of Israel only to one which embraces both Israel and Palestine in a call for peace This volume assesses why the US stance has evolved in the way that it has concluding that while international factors cannot be overlooked developments within the United States itself are also crucial After years of vacillating on Palestinian national aspirations the majority of Americans the author notes have come to favor the establishment of an independent Palestinian state on the West Bank and the Gaza strip Considering what accounts for changes in US policy on Israel Palestine this volume delivers a thorough assessment of the role of international and domestic factors in shaping US policy in this area considers how US policy has evolved from the Camp David negotiations of the 1970s up to the occupation of Iraq in the mid 2000s explores the significance of American public opinion and the pro Israel and Arab lobbies in the evolution of US policy The Arab Lobby and US Foreign Policy will be of interest to students and scholars of Foreign Policy and Political Science Current Affairs and American Studies Khalil M Marrar is Professor at DePaul University USA He has served in editorial positions at the Arab Studies Quarterly and the Association of Arab American University Graduates **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1970 **The Pro-Israel Lobby in Europe** Elvira King,2016-03-02 The activities of pro Israel pressure groups and lobbyists in the US are well known But the pro Israel lobby in Europe is less prominent in both academic and media accounts In a unique account Elvira King identifies the pro Israeli groups which attempt to influence policy makers and implementers in the EU specifically examining Christian Zionist groups Through a detailed study of the European Coalition for Israel ECI the only Christian Zionist lobby in Brussels Elvira King analyses whether and how a religious group can and can fail to influence decision makers in the EU By exploring the context of European relations with Israel as well as the mechanisms through which pressure groups are able to influence EU wide policies King offers an analysis which demonstrates how the EU can be a site where religion and politics meet rather than just being a secular institution It therefore contains vital primary research for both those interested in the pro Israel lobby as well as those examining the role of religion in politics more generally **Hearings, Reports and Prints of the House**
