

A photograph of George W. Bush in a dark suit and tie, looking upwards with a contemplative expression. Behind him is a large, rustic wooden cross against a light sky. Other people are visible in the background, out of focus.

The Jesus Factor Richard Glynne Hughes, 2018-08-06 The End of Times as viewed by Jessie Simpson Revelation is revealed in this spellbinding thriller Follow Jessie as he experiences the end of the world through the eyes of a christian

The Jesus Factor Roxanne B. Trotter, 2015-04-10 This is He who came by water and blood Jesus Christ not only by water but by water and blood And it is the Spirit who bears witness because the Spirit is truth For there are three that bear witness in heaven the Father the Word and the Holy Spirit and these are one And there are three that bear witness on the earth The Spirit the water and the blood and these three agree as one If we receive the witness of men the witness of God is greater for this is the witness of God which He testified of His Son He who believes in the Son of God has the witness in himself he who does not believe God has made Him a liar because he has not believed the testimony that God has given His Son And this is the testimony that God has given us eternal life and this life is in the Son He who has the Son has life he who does not have the Son does not have life These things I have written to you who believe in the name of the Son of God that you may know you have eternal life and that you continue to believe in the name of the Son of God **Intervention Narratives** Purnima

Bose, 2020 Intervention Narratives examines contradictory cultural representations of the US intervention in Afghanistan that justify an imperial foreign policy Bose demonstrates that contemporary imperialism operates on an ideologically diverse terrain by marshaling familiar tropes of entrepreneurship pet love and Orientalist stereotypes to enlist support for the war across the political spectrum **The Mended Heart** Suzanne Eller, 2014-02-20 Being hurt and heartbroken is a sad reality for most of us But I m so thankful for this treasure of a book written by my friend Suzie Eller Page by page Suzie will help you

understand how God s truth can heal your pain so you can move forward whole and healed Lysa TerKeurst New York Times Bestselling Author and President of Proverbs 31 Ministries Brokenness happens Tragedy sin or the painful choices of others all have the ability to disrupt an otherwise contented life And as a result of our heartache we often attempt to fix our own brokenness with disastrous results If you ve tried to heal but keep ending up in the same place whether the battle is in your heart or out in the open where everyone can see The Mended Heart is for you In this book author Suzanne Eller tells it like it is people throw quick fixes at you or tell you to pull yourself up by your bootstraps whatever that means More important though she shares the powerful truth of Jesus mission as outlined in Luke 4 18 21 He came to set free all those who are oppressed and in need of mending You don t have to fix yourself Jesus loves you right where you are In fact He has already completed the work that needs to be done The Mended Heart will encourage you to trust Him to give and receive grace and to move ahead even stronger than before even if others don t move with you **The Passages We Celebrate** Patricia

Datchuck Sanchez, 1994 The commentaries are meant to be a help for those who minister to others when these moments are celebrated those who prepare the families to celebrate those who proclaim the Word those who preach the Word and those

who break open the Word in song and celebration *The Politics of Jesus* Charles Tuttle,2016-10-07 In the *The Politics of Jesus* author Charles Tuttle offers a fresh perspective on politics by contrasting Jesus political outlook with America's hot button issues **New Being** Kenan B. Osborne,2013-11-21 The following study on Tillich's theology is based on a doctoral dissertation presented to the Ludwig Maximilian University at Munich in December 1967 Tillich's theology however is not a simple structure to analyze since it is so systematically interrelated Certainly every major area of his theological system involves all other major areas and even the minor areas have complex ramifications to the total system itself The following pages therefore can only be construed as one among many viewpoints of his system Tillich's theological structure might be compared to a painting or some other work of art one must view it now from this direction now from that in order to appreciate the total effect Certain points should however be mentioned here First of all a key notion in this system is essentialization This concept rounds off and completes Tillich's entire work Unfortunately Tillich himself did not write extensively on this topic nor did he actually correlate it to the beginning and middle of his system although it expresses the final telos of his entire theological work I have drawn out of the *Systematic Theology* as much as possible on the subject of essentialization and have tried to analyze it in light of other key concepts in his system **e-Jeanne: 2004 (Part One - January through June)** Jeanne Halsey,2013-02-17 Once I got started I couldn't stop The history of e-Jeanne began around 1999 really ramped up when 9/11 hit our nation became more organized and intentional thereafter and continued until 2005 You see e-Jeanne was a precursor of currently popular blogs although we called her an e-zine She was assembled early in the morning right after my morning devotions in fact I realize that many of my morning devotions somehow crept into the e-Editorials and then forwarded by e-mail to over 300 people all around the world I did this two or three days a week for 10 years Like I said maybe I am a little crazy This is not a book you can rush through unless you are only looking for jokes and I am astonished how small the font has to be in order to fit everything in you're going to need a bookmark to help mark your spot Always my goal was to fulfill Let your good works shine out for all to see so that everyone will praise your Heavenly Father Matthew 5:16 **Abraham's Altars and Ours** Grant C Brown,2023-03-01 Abraham's Altars and Ours is a great theological treatise and personal devotional and was written for several reasons First Grant Brown believes we need to be reminded that the altars Abraham erected during his lifetime were to commemorate Abraham's many experiences of God and using Abraham's example we should also preserve the remembrance of God's interventions in our own life and the life of our loved ones Secondly as you read this book you will be inspired and encouraged to see how the Lord personally and constantly involves himself in our life in many wonderful ways even when we find ourselves in the midst of trials and tribulations of one kind or another Finally as you continue to read the Lord will help you to choose which altars to build and also will help you tear down any ungodly ones you wish removed from your life **Zeal for Zion** Shalom Goldman,2009 The standard histories of Zionism have depicted it almost exclusively as a Jewish political movement one in which Christians do not appear

except as antagonists In the highly original *Zeal for Zion* Shalom Goldman makes the case for a wider and m *The Podium, the Pulpit, and the Republicans* Frederick Stecker,2011-07-22 In this book the presidential debates of 2000 2004 and 2008 are analyzed in terms of linguistics rhetoric and religious context to offer a unique perspective on the styles beliefs and strategies of the two major parties and their candidates In *The Podium the Pulpit and the Republicans* How Presidential Candidates Use Religious Language in American Political Debate a veteran minister analyzes the religious metaphors Republicans use at the podium and alleges that the party deliberately employs blaming tactics fear metaphors and coded references to apocalyptic judgment to sway undecided voters Over the past 40 years Frederick Stecker charges the Republican Party has created fear for political expediency Stecker s book traces the development of the Republican rhetoric of polarization and applies the linguistics based nation as a family political typology of George Lakoff to an analysis of the presidential debates of 2000 2004 and 2008 He demonstrates how Republican candidates select their language and metaphors to signal adherence to rigid belief systems and simple black and white choices in domestic and foreign policy

Praying at Burger King Richard J. Mouw,2007-03-02 Richard Mouw packs a lot of wisdom into a few dozen small packages Writing in an easygoing conversational style Mouw here considers how the outward life of a Christian should reflect the inner workings of the Spirit Including beliefnet com columns of Mouw s never before collected in book form these pieces are alternately amusing touching and poignant From the dignity of chickens to a weeping Savior Mouw shows how an extraordinary God meets us in everyday life *Apocalyptic Transformation* Elizabeth K. Rosen,2008-01-01 *Apocalyptic Transformation* explores how one the oldest sense making paradigms the apocalyptic myth is altered when postmodern authors and filmmakers adopt it It examines how postmodern writers adapt a fundamentally religious story for a secular audience and it proposes that even as these writers use the myth in traditional ways they simultaneously undermine and criticize the grand narrative of apocalypse itself **The Evangelicals** Frances FitzGerald,2017-04-04 Winner of the 2017 National Book Critics Circle Award National Book Award Finalist Time magazine Top 10 Nonfiction Book of the Year New York Times Notable Book Publishers Weekly Best Books of 2017 This epic history The Boston Globe from Pulitzer Prize winning historian Frances FitzGerald is the first to tell the powerful dramatic story of the Evangelical movement in America from the Puritan era to the 2016 election We have long needed a fair minded overview of this vitally important religious sensibility and FitzGerald has now provided it The New York Times Book Review The evangelical movement began in the revivals of the eighteenth and nineteenth centuries known in America as the Great Awakenings A populist rebellion against the established churches it became the dominant religious force in the country During the nineteenth century white evangelicals split apart first North versus South and then modernist versus fundamentalist After World War II Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent but the civil rights movement and the social revolution of the sixties drove them apart again By the 1980s Jerry Falwell and other southern televangelists such as Pat

Robertson had formed the Christian right. Protesting abortion and gay rights they led the South into the Republican Party and for thirty five years they were the sole voice of evangelicals to be heard nationally. Eventually a younger generation proposed a broader agenda of issues such as climate change, gender equality and immigration reform. Evangelicals now constitute twenty five percent of the American population but they are no longer monolithic in their politics. They range from Tea Party supporters to social reformers. Still with the decline of religious faith generally, FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive. A well written, thought provoking and deeply researched history that is impressive for its scope and level of detail. *The Wall Street Journal*. Her brilliant book could not have been more timely, more well researched, more well written or more necessary. *The American Scholar*. *Overcoming Racism Through the Gospel*. M. L. Johnson, 2007-08. Johnson asserts that racism can only be overcome when it is understood and recognized as a spiritual cancer. He maintains that racism exists to the extent that it does today because the church has abdicated its position as the only earthly representative authorized by God to provide the real examples of love, unity and fellowship. *Social Issues*. *The Jesus Factor in Justice and Peacemaking*. C. Norman Kraus, 2011. This book addresses the impact of Jesus on the practice of conflict resolution interventions such as restorative justice, mediation, peacebuilding and trauma healing. Summary provided by publisher. **Christo-Fiction**, 2015-05-05. Francois Laruelle's lifelong project of nonphilosophy or nonstandard philosophy thinks past the theoretical limits of Western philosophy to realize new relations between religion, science, politics and art. In *Christo Fiction*, Laruelle targets the rigid, self-sustaining arguments of metaphysics rooted in Judaic and Greek thought and the radical potential of Christ whose crossing disrupts their circular discourse. Laruelle's Christ is not the authoritative figure conjured by academic theology, the Apostles or the Catholic Church. He is the embodiment of generic man, founder of a science of humans and the herald of a gnostic messianism that calls forth an immanent faith. Explicitly inserting quantum science into religion, Laruelle recasts the temporality of the cross, the entombment and the resurrection, arguing that it is God who is sacrificed on the cross so equals in faith may be born. Positioning itself against orthodox religion and naive atheism alike, *Christo Fiction* is a daring heretical experiment that ties religion to the human experience and the lived world.
