Swindoll,2011-02-14 It s never too late Whether you re a new Christian or you ve walked the road for decades it s never too late to find the critical truths that make life make sense We often start out believing that common sense will be enough that

we're prepared for the road ahead with our good values and quick thinking. It doesn't take long to learn otherwise. A broken friendship. An obsessive career. Financial distress. Even empty success. We come back to God searching for insight for hope. And He provides. Nothing can replace studying the Bible. Best-selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts. But if sixty-six books seem overwhelming, The Owner's Manual for Christians is the perfect starting place, a biblical summary of the major truths that anchor the Christian life. From grace to freedom, these chapters walk the reader through the keys to a life well lived, drawn from the Creator of life itself. Life is often confusing, but it does not have to be impossible. Read The Owner's Manual for Christians and find hope for the road ahead. The Power of Purpose Michael Catt, 2017-10-01. Why am I here? Why is the church here? Do we still have a place in the world? What is our purpose? In an age when formerly great churches struggle to survive, baptismal pools are dry and altars empty, and the church is aging seemingly indifferent to the next generation, we are tempted to believe we have no purpose. We are tempted to give up on living the meaningful, countercultural lives to which Christ has called us, and to give in to a world that encourages us to go with the flow. How will we respond? In his letter to the Philippians, Paul gives advice that is invaluable to the twenty-first-century church. The Philippians were assembled in the middle of a corrupt, sensual society, fighting against the norms of the world around them. They were God's representatives in a secular society, and they maintained a singular focus, vision, and purpose. In The Power of Purpose, Pastor Michael Catt walks us through this letter to the Philippians, exploring how God is still calling His church, even in the rapidly changing world of the 21st century, to be His representatives. He is calling us to maintain a singular focus and vision. He is calling us to the power of purpose. **Bouncing Forwards** Patrick Regan, Liza Hoeksma, 2024-07-18. Nobody is immune from the storms of life. Patrick's book is a lifeboat while the waves are crashing, but it is much more than that. Bouncing Forwards is a guide that helps us to navigate through tricky waters so that we become better equipped for the journey of life. It's an honest, wise, and practical handbook for growing in resilience. I can't recommend it highly enough. CATHY MADAVAN, AUTHOR OF IRREPRESSIBLE. Bouncing Forwards offers hope to those who're facing battles such as mental or physical health challenges, bereavement, the loss of cherished dreams, or recovery from trauma. Patrick Regan reveals his vulnerability as he shares that making peace with his own ongoing anxiety only came after a period of intense physical, emotional, and spiritual pain. There is always the temptation to wait for the day when all will be well. Yet becoming preoccupied with the future may well mean missing out on what's happening in our lives in the here and now. Is it possible to be OK even when life isn't? Can we thrive not just once we've come through adversity, but right there in the midst of it? Exploring resilience, acceptance, and emotional agility, Patrick encourages us to believe we can find meaning in some of life's toughest moments and the faith to journey on. **Jehovah-Jireh: The God Who Provides** Mary J.
