The Janus Chamber Sasha Grey,2016-11-17 A few years have passed since Catherine s time in the The Juliette Society but things haven t been going the way she planned Her life with her fianc Jack has become predictable and boring especially in the bedroom Now working as a journalist she struggles to find inspiration in her work or at home until she starts writing about the death of a publicly beloved model Inana Luna whose experiences reflect Catherine s own blossoming sexuality and independence What started as a routine story quickly becomes Catherine s obsession as she follows the tale of a woman whose tracks take her down a road with too many familiar facets a fascination with kink lustful men and some very sexy intrigue Like the Roman god Janus Catherine is simultaneously looking to the past and the future Can her experiences with The Juliette Society along with Inana s diary help her figure out what she really wants in life love and sex Or will the story drag her back down into a tantalizing world from which she might not be able to escape a second time *The Juliette Society, Book III* Sasha Grey,2018-03-13 The pendulum has shifted in Catherine s life once again Four years after peeling back the curtain and discovering the carnal secrets held within The Janus Chamber we find her now ironically working as a political journalist settled into a mundane routine and dating life because she chose to tell the truth about Inana Luna instead of embracing a life of decadence with The Juliette Society Meeting a man who reignites her passion for cinema and guilt free sex makes her realize what she s been missing but an unwanted scandal douses the flames of their passion Forced to lay low she finds an opportunity to take back her career but there are people who see Catherine s article as a threat and will do everything they can to stop her from writing The world she uncovers is unlike anything she s ever seen As Catherine s life is turned upside down she must choose to either perish or be remade anew *The Juliette Society* Sasha Grey,2013

Juliette Society, Book II Sasha Grey,2016-10-11 A few years have passed since Catherine s time in the The Juliette Society but things haven t been going the way she planned Her life with her fianc Jack has become predictable and boring especially in the bedroom Now working as a journalist she struggles to find inspiration in her work or at home until she starts writing about the death of a publicly beloved model Inana Luna whose experiences reflect Catherine s own blossoming sexuality and independence What started as a routine story quickly becomes Catherine s obsession as she follows the tale of a woman whose tracks take her down a road with too many familiar facets a fascination with kink lustful men and some very sexy intrigue Like the Roman god Janus Catherine is simultaneously looking to the past and the future Can her experiences with The Juliette Society along with Inana s diary help her figure out what she really wants in life love and sex Or will the story drag her back down into a tantalizing world from which she might not be able to escape a second time *Zbigniew Preisner's Three Colors Trilogy* Nicholas W. Reyland,2011-12-16 Director Krzysztof Kieslowski s Three Colors trilogy Blue 1993 White 1993 and Red 1994 is one of the great achievements of European film A meditation on liberty equality and fraternity these three films marked the culmination of the director s career as well as the zenith of one of the most important

creative collaborations in 20th century cinema between Kieslowski scriptwriter Krzysztof Piesiewicz and composer Zbigniew Preisner Thanks to their close working relationship music for the Three Colors trilogy achieves both a focal narrative and philosophical function At times Preisner's music advances the narrative independently of the film's other codes at other times it creates a metaphorical space into which the audience is invited in order to read for deeper messages As the first major scholarly treatment of Preisner's music Nicholas Reyland's *Zbigniew Preisner's Three Colors Trilogy: A Film Score Guide* fills an important void in film score scholarship In this guide Reyland analyzes the historical context of the film scores the life of the composer the hermeneutic and narrative role of the music within the film and the musical scoring techniques used for the trilogy This volume also draws on an interplay of established classic approaches to analyzing film music and more recent approaches in the exploration of its themes and readings In addition the composer's willingness to be interviewed by Reyland enhances the musicological scholarship of this book giving the reader privileged access into the process of scoring A significant contribution to both film studies and musicological literature this book celebrates one of the great cinematic achievements of the last few decades

The Holy Grail Juliette M Wood, 2012-09-15 This book examines the traditions attached to the Holy Grail from its first appearance in medieval romance through its transformation into an object of mystical significance in modern literature and film

Eternal Chalice Juliette Wood, 2008-06-30 What is the secret of the Grail So intoned a heavenly voice to Sir Percival in John Boorman's stylish and influential film *Excalibur* 1981 The sacred allure of the Holy Grail has fascinated writers and ensnared knights for over a thousand years From Malory to Monty Python the eternal chalice said to be the very cup from which Christ drank at the Last Supper has the richest associations of any icon in British myth Many different meanings have been devised for the Grail which has been linked to the Celts and King Arthur the eucharistic rites of Eastern Christianity ancient mystery religions Jungian archetypes dualist heresies Templar treasure and even the alleged descendants of Christ himself and Mary Magdalene The common thread running through all these stories is the assumption that the Grail legend has a single source with a meaning that if only we could decode it is concealed in the romances themselves That meaning has become the subject of coded secret documents and is the central feature of a vast conspiracy supposedly stretching back to the dawn of western civilization Juliette Wood here reveals the elusive and embedded significance of the Grail story in popular consciousness as myth medieval romance tangible holy relic and finally as the centre of an esoteric theory of global conspiracy The author shows how various interpretations of the Grail over the centuries reflect changing cultural needs and desires Her book will enthrall those who like Sir Percival seek to unlock the mysterious secrets of western mythology's most extraordinary and tantalising enigma and will delight students of history myth and religion alike
