The King S Wizard:

The Way of Wizards and Kings Melissa Wilds,2005-08-18 The night to come would be one for the ages And these were the people who would play a magical and glorious role in the turning of events For the thirteenth generation would take a step in history that night down that path that makes men wizards and kings Thus begins a tale of three young humble shepherds whose destiny takes them far beyond their flock and acknowledges their noble and forgotten ancestry Chosen by elves Byron Corwin and Cherish embark on a journey that takes them through perilous woods hidden fortresses and unlikely allies Their adventures incorporate magic awakened talents and their undying commitment toward the better good for all In this classic tale of good versus evil magic does not seem so impossible when coupled with simple goodness spirit and unrivaled courage as three unlikely heroes come of age in turbulent times

The Fall of The Kings Ellen Kushner,Delia Sherman,2007-12-18 This stunning follow up to Ellen Kushner s cult classic novel Swordpoint is set in the same world of labyrinthine intrigue where sharp swords and even sharper wits rule Against a rich tapestry of artists and aristocrats students strumpets and spies a gentleman and a scholar will find themselves playing out an ancient drama destined to explode their society s smug view of itself and reveal that sometimes the best price of uncovering history is being forced to repeat it The Fall of the Kings Generations ago the last king fell taking with him the final truths about a race of wizards who ruled at his side But the blood of the kings runs deep in the land and its people waiting for the coming together of two unusual men Theron Campion a young nobleman of royal lineage is heir to an ancient house and a modern scandal Tormented by his twin duties to his family and his own bright spirit he seeks solace in the University There he meets Basil St Cloud a brilliant and charismatic teacher ruled by a passion for knowledge and a passion for the ancient kings Of course everyone now knows that the wizards were charlatans and the kings their dupes and puppets Only Basil ins not convinced nor is he convinced that the city has seen its last king
