The Widow and Wedlock Novels of Frances Trollope Abigail Burnham Bloom, 2024-07-31 The writings of Frances Trollope have been subject to increasing academic interest in recent years and are now widely studied This four volume set includes scholarly editions of her four novels in which her comical yet subversive treatment of Victorian marriage is an interesting contrast to some of the more earnest but conventional fiction of the time At the time of their reception all four novels were considered to be the most hilarious and beloved of Trollope s works In their satire of Victorian marriage they challenged and complicated the normative practices of getting married being married and getting married again Trollope s creation of strong independent older women is an antidote to other Victorian novelists portrayal of widows and spinsters and her novels challenge our understanding of the characteristics of the novels of the 1830s and 1840s especially in their depiction of Victorian gender dynamics as well as their influence on succeeding novels

Travel Writings in Iberia Vol 4 Stephen Bending, Stephen Bygrave, Eroulla Demetriou, Jose Ruiz Mas, Maria Antonia Lopez-Burgos del Barrio, 2024-08-07 Lisbon and the Pyrenees form the basis of this lively collection of firsthand accounts of travel within Portugal and Spain in the early nineteenth century **The Publisher** ,1902 The Publishers' Circular and Booksellers' Record ,1929 Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1902 *The Athenaeum* ,1853 Tennyson and Victorian Periodicals Kathryn Ledbetter, 2016-03-09 This is the first book length study of Tennyson s record of publication in Victorian periodicals Despite Tennyson s supposed hostility to periodicals Ledbetter shows that he made a career long habit of contributing to them and in the process revealed not only his willingness to promote his career but also his status as a highly valued commodity Tennyson published more than sixty poems in serial publications from his debut as a Cambridge prize winning poet with Timbuctoo in the Cambridge Chronicle and Journal to his last public composition as Poet Laureate with The Death of the Duke of Clarence and Avondale in The Nineteenth Century In addition poems such as The Charge of the Light Brigade were shaped by his reading of newspapers Ledbetter explores the ironies and tensions created by Tennyson s attitudes toward publishing in Victorian periodicals and the undeniable benefits to his career She situates the poet in an interdependent commodity relationship with periodicals viewing his individual poems as textual modules embedded in a page of meaning inscribed by the periodical s history the poet s relationship with the periodical s readers an image sharing the page whether or not related to the poem and cultural contexts that create new meanings for Tennyson s work Her book enriches not only our understanding of Tennyson s relationship to periodical culture but the textual implications of a poem s relationship with other texts on a periodical page and the meanings available to specific groups of readers targeted by individual periodicals **The Bookman** ,1926 **Belle Assemblée** ,1831
