The Last Rising Of Lazarus:

Gold Tried in the Fire Greg Hinnant, 2008-07-25 The Scriptures clearly explain that believers should expect to endure trials in their lives Both New and Old Testament writings offer hope and promises of victory during hardship but many believers lack the understanding of Scripture and spiritual maturity to effectively persevere through much less learn from difficult circumstances Author and minister Greg Hinnant teaches how we can become like refined gold by striving to overcome our trials a teaching based on Revelation 3 18 Buy of me gold tried in the fire that thou mayest be rich **John** Karoline M. Lewis, 2014-12-01 Karoline Lewis draws together the strengths of two exegetical approaches to the Gospel of John in this volume of the Fortress Biblical Preaching Commentaries series Lewis takes a broad thematic approach to the Gospel while at the same time giving exegetical and homiletical insights about individual pericopes With attention to both liturgical interpretation and exegetical analysis Lewis provides a unique preaching resource that will build biblical literacy by assisting both preachers and listeners in understanding John s Gospel as a whole not just a collection of vaguely related stories Those who peruse these pages will discover anew how John s story of Jesus shapes and gives worth to being a disciple for the sake of the world God loves In other words the intent of this commentary is to invite the reader into an encounter with the Jesus of John s Gospel Such an encounter witnesses to how an experience of the Jesus of John actually matters Readers preachers and their parishioners will have a deeper appreciation of the book s unique interpretation of the Christ event and how that influences their approach to living the Christian faith in today s world **The Incarnate God** Catherine Aslanoff, 1995 A multilevel catechism intended for use in classrooms and study groups or individual edification and growth Two volume set with over 110 iconographic illustrations **Saint John and the Close of the Apostolic Age** Constant Fouard, 1905 **The Gospel of John** Scott Hahn, Dennis Walters, 2003 Based on the Revised Standard Version Second Catholic Edition using the biblical text itself and the church s own guidelines for understanding the Bible Ample notes accompany each page The Ignatius Study Bible also includes Topical Essays Word Studies and Charts Each page also includes an easy to use cross reference section Study Questions are provided for each chapter on back cover **Signs of the Coming Messiah in This Generation** , The Kingdom of God Nicholas Perrin, 2019-02-26 What does the Bible say about God s Kingdom and what Kingdom living looks like In the last hundred and fifty years the concept of the kingdom of God has emerged as one of the most important topics in theology New Testament studies and the life of the church In The Kingdom of God Nicholas Perrin explores this dominant biblical metaphor one that is paradoxically the meta center and the mystery in Jesus proclamation After survey interpretations by figures from Ritschl to N T Wright Perrin examines questions such as What exactly is the kingdom of God What do different Christian traditions mean when they talk about the Kingdom How should we interpret Jesus teachings about the Kingdom What does it mean for the people of God and what does it mean for how they live in the world Perrin contends that the kingdom is inaugurated in Jesus earthly ministry but its final

development awaits later events in history In between the times however the people of God are called to participate in the reign of God by living out the distinctly kingdom ethic through hope forgiveness love and prayer _____ Part of the Biblical Theology for Life series this practical and robust book will help you ground your understanding of the Kingdom of God on the solid foundation of biblical exegesis and reflection Medicine and the Ethics of Care Diana Fritz Cates,Paul Lauritzen,2001 In these essays a diverse group of ethicists draw insights from both religious and feminist scholarship in order to propose creative new approaches to the ethics of medical care While traditional ethics emphasizes rules justice and fairness the contributors to this volume embrace an ethics of care which regards emotional engagement in the lives of others as basic to discerning what we ought to do on their behalf The essays reflect on the three related themes community narrative and emotion They argue for the need to understand patients and caregivers alike as moral agents who are embedded in multiple communities who seek to attain or promote healing partly through the medium of storytelling and who do so by cultivating good emotional habits A thought provoking contribution to a field that has long been dominated by an ethics of principle Medicine and the Ethics of Care will appeal to scholars and students who want to move beyond the constraints of that traditional approach **The Anti-Gospel** Edward Hendrie,2012-03-19 Edward Hendrie uses God's word to strip the sheep's clothing from false Christian ministers and expose them as ravening wolves preaching an anti gospel The anti gospel is based on a myth that all men have a will that is free from the bondage of sin to choose whether to believe in Jesus The Holy Bible however states that all men are spiritually dead and cannot believe in Jesus unless they are born again of the Holy Spirit Ephesians 2 1 7 John 3 3 8 God has chosen his elect to be saved by his grace through faith in Jesus Christ Ephesians 1 3 9 2 8 10 God imbues his elect with the faith needed to believe in Jesus Hebrews 12 2 John 1 12 13 The devil's false gospel contradicts the word of God and reverses the order of things Under the anti gospel instead of a sovereign God choosing his elect sovereign man decides whether to choose God The calling of the Lord Jesus Christ is effectual all who are chosen for salvation will believe in Jesus John 6 37 44 The anti gospel has a false Jesus who only offers the possibility of salvation with no assurance The anti gospel blasphemously makes God out to be a liar by denying the total depravity of man and the sovereign election of God All who preach that false gospel are under a curse from God Galatians 1 6 9 *The MacArthur Daily Bible* John MacArthur,2003 For Ingest Only Data needs to be cleaned up for all products being loaded **A New Believer's Bible Commentary: The Gospels** Dr. Judy Barrett,2012-12-09 A New Believer's Bible Commentary The Gospels covers the life of Jesus as recorded in the books of Matthew Mark Luke and John It is an easy to read friendly guide to the gospels designed to increase your understanding of the culture and teachings of Jesus Christ The Tryal of the Witnesses of the Resurrection of Jesus, Etc. [By Thomas Sherlock.],1729 **HCSB Harmony of the Gospels** Steven L. Cox,Kendell H. Easley,2007-02-01 HCSB Harmony of the Gospels is a standard four column synchronized reading of the Gospels based on the work of John A Broadus and A T Robertson In addition to the harmony itself articles are included to

address issues that arise when one compares the four Gospels and seeks to give a harmonized account of the life and teachings of Jesus Designed for pastors lay Bible teachers professors and students this edition also features eight four color maps that illuminate Christ s life and ministry plus the full text of the four Gospels from the Holman Christian Standard Bible translation *Church of England sunday school notes, by a clergyman experienced in school work. Kim,2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life **The Church School Journal** ,1878
