When a young woman is found dead in a parking garage, the police discover a body with a knife in its back. The only person who saw the murder is a young man who is now a fugitive. The Last Straw:

The Last Straw Frederick H. Thury, Vlasta Van Kampen, 1999-10 Hoshmakaka a camel has been chosen to carry the wise men's gifts to the new baby king in Bethlehem. On his way he meets many people with gifts. Hoshmakaka fears his burden will become too great when he arrives he learns the meaning of his task. **The Last Straw** Covenant Communications, Incorporated, Paula Palangi McDonald, 2013-10-03 Winter squabbling in the McDonald household turns to a true celebration of the Christmas spirit when Mother revives an old holiday custom of doing favors in secret for other family members.

The Last Straw J. Mawek, 2017-04-25 In the not too distant future a natural disaster sneaks up on the international agency charged with observing and responding to climate change. Indications are topsy-turvy as sea levels and tides are falling as opposed to rising. As the central characters are drawn into the disaster, readers of *The Last Straw* get an up-close look at how modern man deals with the challenges of a fluctuating planet and life-threatening climate change. *The Last Straw* is also the story of how our social attitudes and values can surprisingly and dramatically change as our lives grow longer. It also explores new and future technology both realistically and in the realm of science fiction. On the lighter side, it is a sea-faring adventure involving an enigmatic man of great longevity, skills, and personality; a globe-trotting couple who at times find themselves at odds; and a long-lost sibling with a dark past who brings them together. Geologists, climatologists, an oceanographer, and a world-class Elon Musk-like technologist dealing with latent homosexuality round out the cast of characters. Paralleling the story's global climate change theme along with ideas of enhanced futuristic technology and communication capabilities, the action extends from the eastern front of the Colorado Rockies to Falmouth, Massachusetts, Andalusia, Spain, Zug, Switzerland, and the Atlantic and Mediterranean waters of the Iberian Peninsula. **The Last Straw** Paula Palangi McDonald, 2007 illustrated fiction by Paula McDonald. *The Last Straw* Harold Titus, 2019-12-12 In *The Last Straw*, Harold Titus presents a compelling narrative that explores themes of resilience, societal pressures, and the frailty of human connection. Set against the backdrop of an economically strained setting, this poignant tale employs a realistic literary style that captures the complexities of youthful angst and determination. Titus deftly intertwines vivid characterizations with evocative descriptions, creating a rich tapestry that reflects the struggles of adolescence intertwined with broader social commentary, evoking the spirit of classic coming-of-age novels. Harold Titus, an accomplished author and educator, draws upon his own rich experiences and insights to craft this noteworthy work. Throughout his career, Titus has been deeply involved in understanding the challenges faced by young people, which informs the authenticity of his characters and their dilemmas. His background in teaching and a passion for literature imbue his writing with a sense of purpose, making *The Last Straw* not just a story but a reflection of the challenges that shape us. This book is highly recommended for readers seeking a profound meditation on youth and resilience. Titus's engaging prose invites reflection on the pivotal moments that define us. Ideal for young adults and anyone who appreciates a nuanced exploration of personal growth, *The Last Straw* stands as a testament to
