Strachan, Alison O'Malley-Younger, 2010 The essays in this collection all revolve around the notion of change in Ireland whether by revolution or by evolution Developments in the shared histories of Ireland and Great Britain are an important theme throughout the book The volume begins by examining two remarkable Irishmen on the make in Georgian London the boxing historian Pierce Egan and the extraordinary Charles Macklin eighteenth century actor playwright and manslaughterer The focus then moves to aspects of Hibernian influence and the presence of the Irish Diaspora in Great Britain from the medieval period up to the late nineteenth and early twentieth century celebrations of St Patrick's Day in Manchester The

book also considers the very different attitudes to the British Empire evident in the career of the 1916 rebel Sir Roger Casement and the Victorian philologist and colonial servant Whitley Stokes Further essays look at writings by Scottish Marxists on the state of Ireland in the 1920s and the pronouncements on the Troubles by John Lennon and Paul McCartney The book also examines change in the culture of the island of Ireland from the development of the Irish historical novel in the nineteenth century to ecology in contemporary Irish women's poetry to the present state of the Roman Catholic Church in Ireland Contemporary Irish authors examined include Roddy Doyle Joseph O'Connor and Martin McDonagh

Riot and Great Anger Joan Fitzpatrick Dean, 2010-04-29 Although books films and periodicals were subject to Irish government censorship through much of the twentieth century stage productions were not The theater became a public space to air cultural confrontations between Church and State individual and community and freedom of the theatre versus the audience's right to disagree And disagree they often did Throughout the twentieth century Irish performances of new plays by William Butler Yeats John Millington Synge and Sean O'Casey as well as those of such lesser known playwrights as George Birmingham often evoked heated responses from theatergoers sometimes resulting in riots and public denunciation of playwrights and actors

Adaptations, Versions and Perversions in Modern British Drama Ignacio Ramos Gay, 2014-10-02 This book aims to explore which plays were deemed suitable to be reworked for foreign or local stages what transformations linguistic semiotic theatrical were undertaken so as to accommodate international audiences how national literary traditions are forged altered and diluted by means of transnational adapting techniques and finally to what extent the categorical boundaries between original plays and adaptations may be blurred on the account of such adjusting textual strategies It brings together ten articles that scrutinise the linguistic social political and theatrical complexities inherent in the intercultural transference of plays The approaches presented by the different contributors investigate modern British theatre as an instance of diachronic and synchronic transnational adaptations based upon a myriad of influences originating in and projected upon other national dramatic traditions These traditions rooted in relatively distant geographies and epochs are traced so as to illustrate the split between the state imposed identity and personal subjective identity caused by cultural negotiations of the self in an age of globalism International frontiers are thus pointed at in order to claim the need to be transcended in the process of cultural reappropriation associated with theatre performance for international audiences

include *In Bruges* and *The Pillowman* Martin McDonagh's *The Lieutenant of Inishmore* Brian James Stone, 2008 Since the opening of Martin McDonagh's *The Lieutenant of Inishmore* at London's The Other Place in April of 2001 there has been little critical agreement as to how this play should be read There seems to be a problematic discourse surrounding this apparently Irish play written by a playwright who is difficult to identify by way of nationality McDonagh has successfully divided the world of Irish theatre criticism into those who believe his play perpetuates Irish stereotypes those who believe it subverts them and those who believe the play's dark satirical form and content provides us with no significant literary contributions what so ever By looking at critical responses to McDonagh's play as well as audience responses in a global context we see that Irishness becomes something to be of less concern Moreover by looking at McDonagh's treatment of the impulse to identity in Irish literature we can come to see McDonagh's place in Irish literature which may not be in Irish literature at all but in postmodern literature The intertextual nature of the play can be taxonomized as that which Fredric Jameson calls pastiche that is the emergence of cannibalized stylistic forms in the space of the text These traces no longer have meaning for us as we are unable to come to understand in this era of late capitalism Jameson tells us not only an authentic history but an authentic present as well The allusions to historical events and to other works of literature emerge in such a way that we cannot take them seriously or identify with them at all Seeing McDonagh's work in this light as being postmodern and not Irish whatever that means brings us to see that identification by nationality is inadequate but more importantly that it is impossible
