The Man In The White Sharkskin Suit

Phyllis Chesler

The Man In The White Sharkskin Suit:

The Man in the White Sharkskin Suit Lucette Lagnado, 2008-07-01 Lucette Lagnado's father Leon is a successful Egyptian businessman and boulevardier who dressed in his signature white sharkskin suit makes deals and trades at Shepherd's Hotel and at the dark bar of the Nile Hilton. After the fall of King Farouk and the rise of the Nasser dictatorship, Leon loses everything and his family is forced to flee, abandoning a life once marked by beauty and luxury to plunge into hardship and poverty as they take flight for any country that would have them. A vivid, heartbreaking and powerful inversion of the American dream, Lucette Lagnado's unforgettable memoir is a sweeping story of family, faith, tradition, tragedy and triumph set against the stunning backdrop of Cairo, Paris and New York. Winner of the Sami Rohr Prize for Jewish Literature and hailed by the New York Times Book Review as a brilliant, crushing book and the New Yorker as a memoir of ruin told without melodrama by its youngest survivor, *The Man in the White Sharkskin Suit* recounts the exile of the author's Jewish Egyptian family from Cairo in 1963 and her father's heroic and tragic struggle to survive his riches to rags trajectory. Open and Unabashed Reviews on the Man in the White Sharkskin Suit Jack Syers, 2013-01 In this book we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot), original and musing book reviews of *The Man in the White Sharkskin Suit*. Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all *The Cambridge History of Jewish American Literature* Hana Wirth-Nesher, 2015-12-09 This History offers an unparalleled examination of all aspects of Jewish American literature. Jewish writing has played a central role in the formation of the national literature of the United States, from the Hebraic sources of the Puritan imagination to narratives of immigration and acculturation. This body of writing has also enriched global Jewish literature in its engagement with Jewish history and Jewish multilingual culture. Written by a host of leading scholars, *The Cambridge History of Jewish American Literature* offers an array of approaches that contribute to current debates about ethnic writing, minority discourse, transnational literature, gender studies and multilingualism. This History takes a fresh look at celebrated authors, introduces new voices, locates Jewish American literature on the map of American ethnicity as well as the spaces of exile and diaspora, and stretches the boundaries of American literature beyond the Americas and the West. Maadi Annalise J.K. DeVries, 2021-03-23 A fresh perspective on the global economic influences that shaped modern Egypt through the history of an affluent Cairo suburb, Maadi. In the early years of the twentieth century, a group of Egypt's real estate and transportation moguls embarked on the creation of a new residential establishment south of Cairo. The development was to epitomize the latest in community planning, merging attributes of town and country to create an idyllic domestic retreat just a short train ride away from the busy city center. They called the new community Maadi after the ancient village that had long stood on the eastern bank of the Nile. Over the fifty

years that followed this new modern Maadi would be associated with what many believed to be the best of modern Egypt spacious villas lush gardens popular athleticism and most of all profitability Maadi The Making and Unmaking of a Cairo Suburb 1878 1962 explores Maadi's foundation and development identifying how foreign economic privileges were integral to fashioning its idyllic qualities While Maadi became home to influential Egyptians including nationalists and royalty it always remained exclusive too exclusive to appeal to the growing number of lower income Egyptians making homes in the capital Annalise DeVries shows how Maadi's history offers a fresh perspective on the global economic influences that shaped modern Egyptian history as they helped configure not only the country's politics but also the social and cultural practices of the well to do Ultimately the means of Maadi's appeal also paved the path for its undoing When foreign tax and legal privileges were abolished Maadi too became untethered from a vision for Egypt's future and instead appeared more and more as a figure of the country's past

Passing Fancies in Jewish American Literature and Culture Judith

Ruderman,2019-01-09 This scholarly study explores the conflicting forces of assimilation and cultural heritage in literary portrayals of Jewish American identity In *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today s contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America s nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment

A Sephardi Sea Dario Miccoli,2022-07-26 A Sephardi Sea tells the story of Jews from the southern shore of the Mediterranean who between the late 1940s and the mid 1960s migrated from their country of birth for Europe Israel and beyond It is a story that explores their contrasting memories of and feelings for a Sephardi Jewish world in North Africa and Egypt that is lost forever but whose echoes many still hear Surely some of these Jewish migrants were already familiar with their new countries of residence because of colonial ties or of Zionism and often spoke the language Why then was the act of leaving so painful and why more than fifty years afterward is its memory still so tangible Dario Miccoli examines how the memories of a bygone Sephardi Mediterranean world became preserved in three national contexts Israel France and Italy where the Jews of the Middle East and North Africa and their descendants migrated and nowadays live A Sephardi Sea explores how practices of memory and heritage making from the writing of novels and memoirs to the opening of museums and memorials the activities of heritage associations and state led celebrations has filled an identity vacuum in the three countries and helps the Jews from North Africa and Egypt to define their Jewishness in Europe and Israel today but also reinforce their connection to a vanished world now remembered with nostalgia affection and sadness *Lamentations*

Memory and Ethnicity Dario Miccoli, Emanuela Trevisan Semi, 2013-12-05 In recent times ethnicity and issues of origin have become a hotly debated topic among Jews both in Israel and in the Diaspora This is particularly true both of Jews from the Middle East

and North Africa who for years had remained at the margins of the Israeli national narrative as well as the Israeli Palestinian minority. Much the same may be said of Diaspora Jews. Among the public spaces where ethnicity has become more visible are museums together with heritage centres, art galleries and the Internet. The aim of *Memory and Ethnicity* is to investigate how ethnicity is represented and narrated in such spaces. How have groups of Jews from such different backgrounds as Morocco, Egypt, India or the US elaborated their past legacies and traditions vis-à-vis a variety of national narratives and cultural or political ideologies? This volume describes the emergence of a new museological scene that mirrors a multi-vocal Jewish and Israeli public sphere in which ethnicity has become central to a nation's cultural imagination. By considering museums as places of memory where an ethnic communal identity is displayed, *Memory and Ethnicity* analyses which memories are preserved and which suppressed. This study sets out to enrich the understanding of Israeli and Jewish cultural history and also to deepen the field of museum studies from little investigated perspectives.
