The Mark of Perillius Atonus L. Perry, 2011-05 SINEXIA is a bastard world that never should have existed Its birth was an accident Born of war and anointed with savagery its lands were conquered by magicians monsters and creatures that some would revere as gods or demons Just as Earth holds Sinexia's Origin Sinexia holds the fate of the Earth The Sinexia series chronicles the events that bind Earth and Sinexia Read them and become engrossed in the tales of honor love despair and action that cycle in a ring of creation and cataclysm The Mark of Perillius follows the adventures of a young orphan who inherits the powers and abilities of his fabled ancestor He is taken from the only normalcy he has ever known and tossed into a world of mystery and magic Once there he must learn to master his newfound abilities while encountering a host of rich characters places of wonder and dire situations The orphan's name is Emberillius He begins his journey as a sixteen year old young boy He must spend nine long years in Sinexia if he is to have any chance at all of saving the Earth from an impending catastrophe It is during this time that he learns about love war hate responsibility life death good evil and sacrifice as he matures into a man Through the trials of life an orphan is forged into a hero

www.sinexia.net ATONUS L PERRY has always been fascinated with tales of fantasy and wonder Being the son of a librarian he spent many of his weekends and summers reading books The only thing he loved more than reading was indulging in creative writing As he matured he began to take an interest in Japanese animation comic books and role playing video games After immersing himself in the media storylines he loved so much he

discovered that there was not enough action in most of the stories he loved So he vowed to one day write a story that was not lacking in action One day after an assignment in one of his college English classes called for an outline of an epic adventure he made good on that vow and began writing stories that deliver page turning action He writes for the people who feel dissatisfied with the stories they love so much Atonus L Perry lives in Shreveport Louisiana with his son Isaiah Alexander Perry
