The Last Drive:

The Last Drive Rex Stout, 2015-05-26 Eleven early tales of mystery murder and mayhem from the creator of Nero Wolfe When Colonel Phillips begins his final game of golf his greatest problem in life is that he has begun to slice the ball Playing with his lawyer and nephews Phillips fights his way back into the game and is on the verge of victory when he keels over He clutches his chest mumbles a few words and is dead in minutes The doctor has no doubt The colonel was poisoned Finding the culprit falls to the president of the golf club amateur detective Canby Rankin who will do whatever it takes to find the killer on the links Written nearly a century ago The Last Drive is now available for the first time in book form Clever charming and absolutely baffling it is the tale that inspired the first Nero Wolfe novel *Fer de Lance* and along with the other stories in this volume represents the early efforts of a modern genius

The Last Drive Chuck Anderson, In the shadow of professional football where dreams are shattered and legends are forged Ace Wheeler a retired quarterback steps back into the spotlight With a legacy to protect and a son to mentor Ace's return creates a whirlwind of expectations family drama and undeniable tension Ethan Wheeler the rookie QB stands under the immense shadow of a father once larger than life Can he carve his own path or will he forever be known as Ace's son As the Springfield Stampede fights its way through the season with no games to spare the stakes rise higher than ever Immerse yourself in the heart pounding world of professional football where the language is as clean as the field allowing fans of all ages to experience Ace and Ethan Wheeler's fight for family legacy and the love of the game Every down every play brings Ace and Ethan closer to each other to victory or to the end of their tumultuous journey The Last Drive is about more than the game It's the story of a father and son finding their way back to each other through the sport that once defined their lives Experience the roar of the crowd the crunch of the field and the raw emotion of two men grappling with what it means to be a family while pushing through loss second chances and the unbreakable bonds forged in the heat of battle

Bitter End and The Last Drive Rex Stout, 2018-06-14 Bitter End the first novella length adventure featuring Nero Wolfe and Archie Goodwin appeared in the November 1940 issue of *The American Magazine* The story which is dark and complex explores the family business and personal relationships of the owners and employees of a specialty food manufacturer Wolfe has a personal encounter with one of their products that has been poisoned and feels compelled to investigate Before there was Nero Wolfe there were others detectives such as Canby Rankin Dol Bonner and Tecumseh who paved the road for the most famous of Stout's detectives The Last Drive features Canby Rankin the Southerner who had turned detective in a story serialized in *Golfers Magazine* The story can be viewed as a precursor of *Fer de Lance* the first Nero Wolfe and Archie Goodwin novel length mystery in the sense that the device used here is almost identical to the murder weapon at the center of *Fer de Lance*
